### OXBRIDGE OFFERS FOR ST BART'S STUDENTS

Seven students from St Bartholomew's School have been offered places at either Oxford or Cambridge University for entry in October 2010.

These students have succeeded in a rigorous entry procedure which included a series of written tests and interview at the College of their choice. The offers are based on them achieving exceptional standards in their A Level exams which they will take this summer.

The students are:

Ellie Bridger-Wilkinson	History	Worcester College, Oxford
Joe Prentice	Physics	University College, Oxford
Heather West	Biochemistry	Magdalen College, Oxford
Ben Brown	Engineering	Downing College, Cambridge
George Mayes	Veterinary Science	Magdalene College, Cambridge
Joseph Minchin	Philosophy	St John's College, Cambridge
Becky Hunter	Archaeology and Anthropology	Fitzwilliam College, Cambridge

(Becky left St Bart's in 2008 and is currently working before going to University)

Mr Graham Davis, Head of Sixth Form at St Bart's said: "We congratulate these students on their outstanding success. This is a great achievement and is testament to the hard work they have put into their studies throughout their schooling and to the support given by staff and families."

A majority of the Year 13 students at St Bart's have been applying to a range of Universities and higher education courses through the UCAS system for entry later this year. Most students have already achieved very good offers and are now working towards these targets.

St Bart's Sixth Form provides a wide range of courses as well as a variety of extra curricular options.
