The calendar is, once again, very busy, with a wide range of activities planned, including dance workshops, visits, sports fixtures, House plays and language exchanges. Make the most of every opportunity.

Students in Year 9 will be finding out about their Key Stage 4 curriculum and making choices about their options for September 2013.

Thank you, in advance, to all members of the school community, for helping to provide a picture of what St Bart's has to offer and the success of our students, when completing the Kirkland Rowell questionnaire later this month.

BRITISH EMPIRE MEDAL AWARDED TO JOHN KING

How fitting and wonderful that John King's contribution to St Bart's and the wider community has been recognised with his being awarded the British Empire

Medal. No-one could be a more worthy recipient.

John King dedicated his teaching career to St Bart's, officially retiring after 48 years' service in July 2012. As a History and Politics teacher, and as Patterson House Head, he made a totally exceptional contribution to the education of literally thousands of students.

John King is rightly regarded as 'a legend in his own lifetime', not only by his students, but staff, governors and parents past and present.

How fortunate we are that John King continues to support students achieving the Extended Project qualification in the Sixth Form, sharing his superb subject knowledge.

Warmest congratulations on receiving this great honour, John!

**STUDENT, PARENT AND

QUESTIONNAIRES**

As part of our aim to include feedback from all members of our school community on the strengths of St Bart's and areas for further improvement, students, parents and staff will be asked over the next week to complete questionnaires. As we have done over the last two years, we have worked with a company called Kirkland Rowell, who have a client base of over 2,000 schools throughout the country, to produce these questionnaires and the feedback received will be evaluated against the very large bank of comparative data which the company has. We will also be making comparisons with the results of the 2012 survey in order to evaluate the change which has taken place in the last year.

Students will be completing the questionnaire during the normal full school assembly slot on Wednesday 23 January and parents will receive their questionnaires in envelopes sent home with their children by the end of the same week. We would encourage all parents please to complete the questionnaires, which should take no longer than 15 minutes, and to return these in envelopes with their child by Monday 11 February. They will then be sent to Kirkland Rowell for collation and analysis. The feedback received will then be used as part of our school improvement planning and a summary of this feedback will be published in BartholoNews.

STARLIGHT EXPRESS

Trip to Starlight Express
at the Mayflower Theatre
Southampton

On Thursday 6 December we went on a dance trip. This was a chance to see the famous Starlight Express musical in Southampton. To start we waited for the coach eagerly. After the long journey we arrived at the Mayflower Theatre. Our coach was buzzing with excitement, we went inside and we were amazed! The whole show was on roller-skates! The actors' dancing and voices were absolutely flawless. At times a screen came down and we were told by 'Control' to put our safety glasses on! This meant we could watch the trains race in 3D. After the show we went back to school with the story of Starlight Express forever in our minds. Thank you to Miss Jones and Mrs Kearns for taking us on the trip.

DANCE-A-THON REVIEW

The Dance-A-Thon, held on 18 September, was a great success. Students from Year 7 to Year 13 took part, along with teachers too! Participants turned up in fancy dress and over two hours everyone had to keep moving and stay in contact with their partner. The event began with a group warm up – the Hokey Cokey! The first half included classics such as “Footloose”, very topical as Miss Jones and Miss Midgley were dressed as Baby and Johnny, the “Cha Cha Slide” and a bit of Britney Spears! The second half included favourite dance numbers such as The Spice Girls. The pace was stepped up with the “Hoedown Throwdown”, which even saw the photographer dancing!

By half time, no partners had been eliminated - everybody was so good that we had to play games in order to get people out! The games included musical statues and musical bumps, in pairs of course. The Dance-A-Thon was nearing its end and there were still several pairs remaining so we had to increase the difficulty of the games - they had to be played in pairs of pairs! It came to a tense finish with Miss Midgley and Miss Jones finishing third and Harriet Roach & Ellie Harris finishing second.

Congratulations go to the last pair standing: the team of Annie Magee and Becca Craig. Best dressed was awarded to Vix

Knights and Naomi Hill, disguised as very colourful piñatas. The first and second most sponsorship money raised went to Esme Valler & Amy Bowen and Harold Bjornsbo & Ryan Lockwood, respectively. So far the event has raised over £300 for West Berkshire Mencap!

Many thanks to all that took part, and to Miss Jones, Mrs Kearns and the Sixth Formers that helped both with the organising and the event itself! If you are yet to hand in your sponsorship, please do so ASAP!

BOYS' PE

Rugby – Y9B team v The Clere A team

On 19 December the Year 9 B team played an astonishing game of rugby in the floodlit league tournament at Newbury Rugby Club. St Bart's unfortunately lost against The Clere but played a strong game. Our team played well tactically and worked as a tight group against a very physical squad. Special mention goes to Sam Cowley for some amazing tackling, Clayton Calloway for sheer power and great enthusiasm and Sam Watts for great rucking and good scrummaging.

The weather was not ideal for rugby, however we were still able to get some good runs in and even better scrums. The team played well together considering they have only ever played as a squad once before and we lost our full back, Ewan Ainsworth, in the first minute to a dislocated finger.

The B team was a credit to the school and kept their heads, despite the aggressive opposition. Thank you to Mr Bateman for helping us.

Aidan O'Neill 9C3

Y9 Rugby v Park House

On 5 December the Y9 boys' rugby team played Park House as part of the floodlit league. Captained by James McFadzen the players went into the game confidently. It was a very easy match for the team with a 51-0 victory. The forwards dominated allowing space for the backs to run it round the Park House defence. Alex Forsyth had a great game with five tries in total and scores to many other players, including Ollie Pizzey, Euan Lindsey and Andrew Evans. Many of these tries were converted by the scrumhalf, Adam Barnes, who is having a brilliant kicking season, and this just added to the victory.

In the end the game acted like an unopposed training match which gave Mr Bateman a chance to try out his team members in different positions. It has been a brilliant season for the Year 9s so far with every game won and affirm hold in the county cup.
