

## SKI TRIP

On 14 February we set off on the long 24 hour journey to Austria, which, despite the length, was surprisingly enjoyable!

Upon arrival we settled into our new surroundings, which were both dramatic and breathtaking. The hotel staff were lovely and welcoming, which we were all grateful for.

Throughout the week everyone had great fun learning how to ski and there were indeed some very daft moments (to put it mildly). The ski instructors were brilliant and I can say on behalf of everyone that we are all desperate to get back onto skis – even if it means another 24 hour journey!

On top of all the fun in the snow, we did a few activities during the evenings, such as a treasure hunt, a quiz, shooting and Austrian bowling, which proved to be incredibly hilarious. Overall our week in Muhlbach was by far one of the best of my life, and hugely enjoyed by everybody on the trip. Perhaps the highlight was seeing Mr Brennan on skis – he proved to be surprisingly graceful!

A big thank you to him and the other staff for putting up with us for the week.
