CONGRATULATIONS FROM THE MINISTER OF STATE FOR SCHOOLS

We are delighted to have received a letter of congratulations from Nick Gibb MP, Minister of State for Schools, for our achievements. I would like to share the letter, as follows:

Dear Ms Mortimore

I am writing to convey my warmest congratulations to you, your staff and your pupils for your school's very high standard of achievement in the GCSE exams in 2015.

The percentage of pupils achieving five or more GCSEs at grades A*-C, including English and mathematics, shows that your school is one of the top 100 non-selective state-funded schools in England.

In addition, your school is one of the top 100 non-selective state-funded schools in England based on the percentage of pupils achieving the English Baccalaureate. Ensuring your pupils are achieving high standards of attainment at key stage 4 provides a strong basis for their further education and employment.

Thank you for your work in these important areas of a young person's education and congratulations again to you and your staff for your hard work and professionalism.

With best wishes.

Yours sincerely
Nick Gibb, MP

EXAM STRESS PARENTS' SESSION

Wednesday 23 March 2016

Main Hall

Delivered by Kate Pike and Amy Law –
Educational Psychologists

NINETEENTH CENTURY NOVELS

Students in Year 9 have been set a challenge this year – to read nineteenth century novels. This is crucial preparation for the new GCSE as they will need to sit an exam on 19th century fiction and are expected to be overall, sophisticated readers.

As a part of this challenge they were asked to produce display materials that reflect their enthusiasm and understanding of these exciting novels. The range of entries was truly impressive; everything from quizzes and book covers to lesson ideas and entire magazines.

The finalists' work was displayed in the Break Out space in Curnock during Year 9 Parents' Evening and the parents had the opportunity to vote for their favourite. The votes will be counted and the overall winner will be announced in whole school assembly tomorrow, 2 March. The lucky student will receive a prize.

The finalists are Ffion Godwin 9D2, Lorien Carter 9D1, Rachel Newark 9C2, Thea Jaques 9D3, Nichola Connorton 9P2, Georgia Davison 9P1, Anneli Giaever-Enger 9P2, Hira Ahmad 9P1, Daisy Perks 9D3.

WORLD BOOK DAY

The school is celebrating World Book Day on 3 March. Students in Years 7, 8 and 9 can collect a book token and there is a quiz taking place during Activity Time in the Curnock Break Out space.

Staff are also getting involved, with some taking part in a fancy dress competition.

DISABLED CAR PARKING SPACES

Please respect the need for members of our school community who are disabled to park in these spaces. **They are**

not for general use.

We are issuing badges to be displayed in vehicles where there is a disabled student/staff member.

If you believe that you require a badge, please contact your House office.

**Girls' Area Cross Country
Wednesday 10 February,
Newbury Showground**

A big thank you to the girls who recently ran in the Area Cross Country. For some, this is not their most favourite event of the year, but as a PE department we are grateful to you for your support and ensuring that in each age group full teams were fielded.

Results, with the names of the top three in each age group.

U13 finished in 1st place out of ten schools. Luci Robertson finished brilliantly in 1st place with Rebecca Thomson 2nd and Georgina Thomson 3rd.

U15 girls finished 5th out of seven schools. This was a really tough event for the girls who rallied round to get a team together. Placings were Izzy Sanderson 16th, Annabel Mangan 30th, Millie Pope 32nd.

U20 girls finished in 1st place out of two schools. Rebecca Downie 2nd, Georgie Bradford 3rd and Hannah Wolak 4th.

Athletics News

Congratulations to Mia Eldridge. Mia competed at the English Indoor Championships in Sheffield during half term. After two promising early throws Mia was in 5th place for the U15 Shot with 9.78m. Unfortunately it was not Mia's day and she could not repeat some of her training throws and in the last two rounds of six she was overtaken by two athletes to finish overall 7th. This is still a brilliant achievement.
