

St Bartholomew's School Governing Board

February 2018

Ian Peddie

Chair of Trustees

Foundation Nominated & Member of the Academy Trust
Current Term of Office 11.11.2016 – 10.11.2020

I have been closely involved with St Bart's since 1995, joining the Parents' Association when my eldest daughter started in Year Seven. After three years chairing the PA, I joined the Governing Body as a parent governor in 2000. I was elected Chair of Governors in 2011, when we were making our transition to Academy status – with the additional freedoms and responsibilities that brought. One of my main objectives as Chair has been evaluating and developing our approach to governance at St Bart's to match and support this new status.

I am a civil engineer, with most of my career spent in the planning and management of major infrastructure projects, such as Hong Kong's Mass Transit Railway and the high speed rail link from London to the Continent. With nearly a decade spent in Hong Kong, I take a special interest in supporting St Bart's developing links with China. My professional experience was put to the test in helping deliver the new state of the art school which now sets a firm foundation for the education of future generations of St Bart's students.

Ian also chairs the Trust Board and Joint Consultative Committee.

Jeanette Clifford

I have been a Governor at St Bart's for more than a decade and am proud to serve the School where our three children, Aidan, Brendan and Caitlin, were educated. I am vice-chair of the Governing Board, Safeguarding Governor and Chair of the People & Performance Committee. I was previously Chair of Governors at Robert Sandilands School in Speen and am in my second term as trustee of the St Bartholomew's Charitable Foundation. I have a background in business and, as a qualified FE teacher, taught Marketing and Business from entry to post-graduate levels and also worked in teacher training. My first degree was in geography, I have an MBA and an MSc in Risk, Crisis & Disaster Management. I am a Newbury Town and West Berkshire Councillor and vice-chair of The Makaton Charity which helps children and adults with communication difficulties.

I have been a governor at St Bart's since 2001, my main aim being to ensure that the school offers a broad and high standard curriculum.

Karen Sadler

Appointed Governor

Chair of the Standards & Inclusion Committee

Current Term of Office: 19.11.2017 – 18.11.2021

Following my Economics degree, I enjoyed many years in marketing roles in GE Capital and Debenhams, that gave me experience in all aspects of planning and data-driven marketing. 14 years ago, I established my own consultancy business in the increasingly important arena of data protection, supporting clients across many sectors, such as More Than, The Post Office, Virgin, Nuffield Health, London Business School, and more. This evolving career path has allowed me to gain experience across strategy and planning, data and insight, communications, financial and marketing management, training, auditing and compliance.

My husband, Richard, and I have lived in Newbury for over 20 years and have two children at St Bart's who are very proud of all aspects of their school. I joined the Governing Body as a Parent Governor at the end of 2013 and am particularly keen to actively contribute to all aspects of school life so that every student can get the very best out of their school experience, while also taking a positive part in Newbury community.

Jonathan Taylor

Formerly, I served as a non-executive director and Audit Committee Chair of Newbury and Community, (and latterly Berkshire West), NHS Primary Care Trust; I now sit as an independent Lay Panel Chairman for Mental Health Act Managers' Hearings for Berkshire Healthcare and other providers. I have been a Governor at St. Bartholomew's since 2001, continuing after both my children left school having enjoyed a very good and rounded education. My corporate background covers executive responsibility in UK financial services groups and leadership of major change and merger integration programmes. More recently I have operated my own consultancy business. I have an MBA from Henley Management College and am a Fellow of The Chartered Institute of Personnel & Development.

Keith is a member of the People Committee.

Alexandra Barlow

Parent Governor

SEN Governor

Current Term of Office: 23.5.2016 – 22.5.2020

Having grown up in Newbury and attended St Bart's, I am very proud of the School and of the traditions and values that it continues to maintain. Our eldest daughter started in Year 7 in September 2015 and is just embarking on her St Bart's journey and we have two further daughters who will follow. My husband and I have been incredibly impressed by all we have seen at St Bart's and look forward to a long standing relationship with the school.

I am the Alumnae Relations Manager within the Development Office at Downe House in Cold Ash, I am involved in development, fundraising, marketing, publications, web development, data protection & CRM management. Furthermore, I have a sound understanding of pastoral care through my role as an academic tutor to nine Year 10 girls.

I am very much looking forward to starting my role of Parent Governor and hope to add value to the excellent work that is currently being carried out through the staff and children at the school.

Alexandra is a member of the Curriculum & Enrichment Committee.

Derek Brown

Foundation Nominated Governor

Current Term of Office: 12.10.2014 – 11.10.2018

I attended St Bartholomew's back in the 1950's when it was a boys only grammar school, with a complement of roughly 600 pupils, eighty of whom were boarders. I enjoyed involving myself in School activities and ended my days at the School as Evers House Prefect, Captain of Rugby and CCF Under Officer.

I have always been proud of the School, and when my own children attended the School I joined the Old Newburians' Association (ONA) Management Committee. Following two years as ONA President, I was voted onto the School's Governing Body as a Foundation Governor, representing the ONA. On behalf of the ONA I am pleased that, despite being a "School for the Future", St Bart's proudly embraces its heritage and maintains many of its traditions.

My career path took me into motor engineering and, apart from several years training at Vauxhall Motors in Luton, I have remained in the Newbury area, working until 1990 as Managing Director of The Family Motor Dealership. For the past twenty years I have been involved in Property Management, looking after several commercial and residential sites.

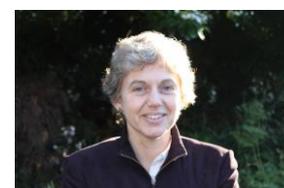

I am a member of the Resources Committee.

In addition, I am a Local Leader of Governance for West Berkshire, supporting schools with challenging governance situations.

In the dim & distant past I trained as a Secondary English teacher, teaching GCSE and A-level, before moving into Educational Publishing. As Head of Marketing I was involved in producing educational resources for primary and secondary schools, and FE colleges, all of which gave me a range of experience of how schools work.

I have a son in Year 11, and twin daughters in Year 7, so I am with St Bart's for the long term.

I went to the College of St Mark and St John in Plymouth for four years where I was awarded a Secondary BEd (Hons) Degree in Physical Education. I then taught PE in two inner city schools in Plymouth. Following this, I relocated and I have worked at St Bart's for coming up to ten years.

I have been very lucky to have been given Teacher and Learning Responsibility during my time at the School. I was a Personal Development Programme Leader for year, then moved onto Deputy Director of Sport and I am currently Director of Sport. I have held this post for the last 6 years. This involves me being a Head of Department, leading 9 PE staff, overseeing the PE curriculum, girls' fixtures, GCSE PE and running the PE Department on a day to day basis.

I really love working at the school and I am now enjoying contributing to the school in a different way by being a teacher governor.

Stephen Uden

Parent Governor

Following a long career in the IT industry, I have recently joined the Nationwide Building Society where I am Head of Corporate Citizenship. This means that I am responsible for Nationwide's staff volunteering, supporting local charities and working with young people on Nationwide's Education programme. I have worked in the field of Education for many years (including as Head of Education Relations for Microsoft); my proudest moment was getting computer science added to the curriculum.

As a governor, I have focussed on supporting the school around strategy & planning (which is unglamorous but very important) as well being link governor for the Science Faculties and the Sixth Form. I am a former student of St Bart's along with my brother and sister and my three children have all studied here. It's therefore a real honour to be a governor at a school that has formed such an important part of my life.
