

# St Bartholomew's School Governing Board

## October 2018

### Ian Peddie

#### **Chair of Governors**

Appointed Governor & Member of the Academy Trust

Current Term of Office 11.11.2016 – 10.11.2020

I have been closely involved with St Bart's since 1995, joining the Parents' Association when my eldest daughter started in Year Seven. After three years chairing the PA, I joined the Governing Body as a parent governor in 2000. I was elected Chair of Governors in 2011, when we were making our transition to Academy status – with the additional freedoms and responsibilities that brought. One of my main objectives as Chair has been evaluating and developing our approach to governance at St Bart's to match and support this status.

I am a civil engineer, with most of my career spent in the planning and management of major infrastructure projects, such as Hong Kong's Mass Transit Railway and the high speed rail link from London to the Continent. My professional experience was put to the test in helping deliver the new state of the art school which now sets a firm foundation for the education of future generations of St Bart's students.

Ian also chairs the Joint Consultative Committee and attends the People and Finance & Risk committees.

### Karen Sadler

#### **Vice-chair of Governors**

Appointed Governor

Current Term of Office: 19.11.2017 – 18.11.2021

Following my Economics degree, I enjoyed many years in marketing roles in GE Capital and Debenhams, that gave me experience in all aspects of planning and data-driven marketing. 14 years ago, I established my own consultancy business in the increasingly important arena of data protection, supporting clients across many sectors, such as More Than, The Post Office, Virgin, Nuffield Health, London Business School, and more. This evolving career path has allowed me to gain experience across strategy and planning, data and insight, communications, financial and marketing management, training, auditing and compliance.

My husband, Richard, and I have lived in Newbury for over 20 years and have two children at St Bart's who are very proud of all aspects of their school. I joined the Governing Body as a Parent Governor at the end of 2013 and am particularly keen to actively contribute to all aspects of school life so that every student can get the very best out of their school experience, while also taking a positive part in Newbury community.

Karen is a member of the Education and Finance & Risk Committees as well as jointly undertaking the SEND Governor role.
