## SUCCESS AT YOUNG ENTERPRISE AREA FINAL.

On Tuesday May 7 our two Young Enterprise companies took part in the West Berkshire Area Final. Students were required to set up their trade stand and then were interviewed by the judges about their company performance. They also gave a presentation outlining their activities since September. At the end of the evening awards were presented in a variety of categories.

Fuel Fitness were the winners of the 'Best Business Plan' award in recognition of their clear vision at the start of the program and the way in which they structured their plan of activities.

Home Matrix were the winners of the 'Sustainability' award in recognition of their efforts in using recycled jars to make their candles, using UK suppliers to reduce carbon footprint and using environmentally friendly materials.

Thank you to both companies for working hard since September and for presenting themselves in such a professional manner at

the final, a real credit to the school. Thanks also to Vicki Kyle-Lawrence, our business adviser, who has been a fantastic support to the students.

Well done to all the students involved this year: Will Allan, Jay Chamings, Luke Connolly, Seth Dawson, Billy Dijkstra, Harry Donne, Arianwen Evans, Conor Fernandes, Harry Forkin, Max Gandy, Dominic Gibbard, Harry Greenwood, Emma James, Sophie Linehan, Josh Marshall, Emily Mayo, Joseph McLaughlin, Samuel Middleton, Kesha Patel, Phoebe Piper, Josh Prout, Felix Robinson, Imogen Uwins, Kacper Zmudzinski.

## BRITISH PHYSICS OLYMPIAD TESTS 2019

Recently four students in Year 12 and 5 students in Year 11 somewhat rashly volunteered to sit the Physics Olympiad papers. On the front of the question paper is the following advice, *“This paper is about problem solving. It is designed for the top AS/GCSE physicists in the country. If you*

*find the questions hard, they are. Do not be put off. The only way to overcome them is to struggle through and learn from them.”*

We have been working through questions since the middle of the Autumn term. Students have been supportive of one another, and not put off by the challenge. It is great preparation for anyone who might sit an aptitude test for Physics or Engineering courses at University. These exams generally take place in November of Year 12.

From the two groups there were 6 Bronze medals, 2 Silver, and the very first Gold at St Barts.

Congratulations to Ben Wells, Teddy Walker, Henry Stacey and Ben Potter in Year 12.

In Year 11 congratulations to Sanskriti Soohoo, Sam Potter, Theo Loxton, Lawrence Baker and Tobias Allen.

## Photography Competition

Year 7, won 17-6, batter: India Duly and fielder: Izzy John

Year 8, won 11.5-9.5, Erin Cahoon

Year 9, won 5.5-5, batter: Annabel Gibson and fielder: Polly Hassell-Collins

Year 10, won 19.5-10.5, batter: Alice Rawlins and fielder: Bianca Vicaria

### Year 10 Football County Cup Runners-up

A huge well done to the 13 boys involved in the U15 County Cup football final at Thatcham Town on Wednesday 1 May. The boys battled, as they have all season, unfortunately their unbeaten run came to an end. They lost out to a strong, well organised St Crispin's team who won, 3-1, on the night. Finishing second in the county was a great achievement and the following boys should all be really proud of what has been an excellent season - Jensen Knight, Charlie Shakespeare, Joe Mitchell, Mark Chidi, Matt Bailey, Alex Groves-Way, Alfie Letman, Toby Stancombe, Aidan Kriel, Dan Power, Cameron Dunbar, Will Oxley, Cameron Stewart
