15th August

GCSE and BTEC Level 1 and 2

The Examination Boards offer a Post Results Service which allows candidates access to photocopies of their exam scripts and a review of results.

If, on receiving your examination results in August, you wish to apply for one or more of these services, please read the following pages carefully.

REVIEW OF RESULTS (RoR)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a remarking of the script.**

There are three possible outcomes following a review of marking:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

If you are in any doubt about proceeding with this service, please seek guidance from a member of the teaching staff.

A Level

Both Priority and Standard service is available.

GCSE Level

Priority (Pearson only)

AQA, OCR and WJEC Standard Service is available.

If you wish to proceed with this service, please complete the relevant form and return to the Exams Department with the fee by the deadline date shown on the form.
