2021-22 HEAD STUDENTS

We are delighted to announce that the following have been appointed Head Students for this year.

Head Students: Emily & Joel

Deputies: Connor, Lucy & Eloise

The students went through a rigorous selection process, including an application letter and action plan, giving a hustings speech to all of Y12, a group activity and an interview with Ms Mortimore, Ms Allen, Mrs Lane and the current head students. We have been hugely impressed by the standards of applications this year, and we look forward to working with these students, and the rest of the school officer team, in the next year.

Y9 DUKE OF EDINBURGH EXPEDITION TRAINING

We are delighted to have a record number of Y9 students signing up for the Duke of Edinburgh award this year. Last Saturday and Sunday saw over 150 students participate in

their Expedition Training and Bella has written an account of her group's experience.

We started walking at about 9.40am. The weather was awful, raining heavily and really windy. When the whole group had arrived, we were all quite optimistic at first; Maisy, Edith, Lucy, Max, Sree and myself. We started off pretty well. At about two check points in, we got a bit lost. We had taken the wrong turn and were walking the wrong way for about two hours. We decided to sit down for a bit and get our bearings right by re checking the map for the 100th time. Then, with help from the leaders, we eventually finished our expedition at The Woodpecker Pub in Wash Common because we had run out of time. We learnt to keep our spirits up by encouraging each other and had lots of fun together. The training weekend has given me some experience in map and compass skills. It was fun to be out in the countryside with my group.

SUPPORTING Y13

The Sixth Form team have been working together to help support Y13 as they take their final assessments. Mrs Talbot has been posting positive and supportive messages on Instagram, to let Y13 know we are thinking about them. Miss Howes and Mrs Austin

Smith stuck more positive messages around the study areas to inspire

them, and also created some beautiful posies (using flowers from Mrs Lane's garden) to cheer up the students and add some colour to the foyer - with some beautiful cards kindly donated by Miss Ostrowski! On Wednesday afternoon students relaxed and got in touch with their creative side during Crafternoon, by making beautiful spring flowers from paper, which many gave away to their friends, family and staff. Perhaps best received of all, Miss Howes produced a variety of healthy snacks, spending her evening chopping carrot snacks to give students a healthy boost.

Look out for more snacks and crafts for the rest of term! Good luck to Y13, we are thinking of you. You've got this!

Y10 ENRICHMENT PHOTOGRAPHY

The Y10 enrichment photographers had the topic of 'light' this week having looked at

natural light, low light and the use of flash over the last few weeks. The image by William uses an even natural light for a 'found'

still life with the round shapes of the empty snail shell contrasting with the linear branches, leaves and stems which create a natural frame for the shell. Abha also uses an even natural light to capture a central flower

in sharp focus with a gentle curve of blurred flowers to keep the eye moving around the frame. The tree by Masie has a more

directional light to emphasise the texture of the weather-worn stump while Marcie captured a tree in near-

silhouette with both of the images displaying elements of chiaroscuro (effect of contrasted light and shadow).
