## CLUBS AND SOCIETIES FAIR

The myriad of activities, clubs and societies were showcased last week and students were keen to find out about the huge range of opportunities on

offer. There were queues to sign up to the different clubs which included science, chess, sports, Chinese, music, drama, knit'n'natter, debating and speed cubing. Older students with future careers in mind were finding out about LawSoc and MedSoc.

The Activities Booklet summarising some of the many opportunities for students is on the website at <http://www.stbarts.co.uk/activities/extra-curricular-opportunities/>

## CHINESE LESSONS

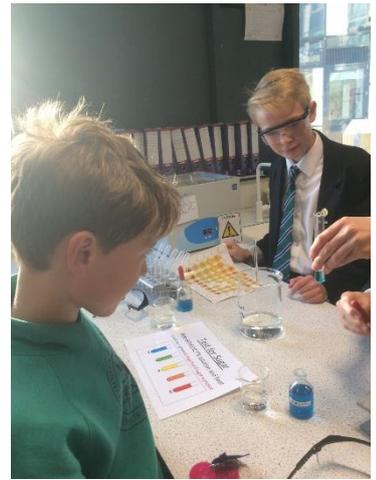

It's not too late to sign up for beginner's Chinese. Lessons are open to all students and run on a Thursday after school.

If you would like to learn to read, write and speak Mandarin Chinese, please collect a letter from the Modern Languages Department.

## OPEN EVENING

Last Tuesday we were pleased to welcome so many visitors to our Open Evening to see and learn about the many opportunities we offer students at St Bart's as well as hearing about our continued successes and outstanding examination results at GCSE and A Level.

Prospective parents and students were free to look around the school and student volunteers acted as guides and demonstrated and talked about their work in each faculty area. The school was alive and buzzing and the exhibits around the school displayed the high quality of students' work and all the faculties had exciting activities running, giving a flavour of what learning at St Bart's means.

The comments from all the visitors were nothing but praise for what they saw and for all the students involved who were the most fantastic ambassadors.

Our Open Mornings take place on Monday 2 October and Tuesday 3 October from 9am to 10.45am

## FIRST AID TRAINING

The initiative of a Year 13 student has led to nearly 150 students across all year groups benefiting from introductory first aid training. Joe Seward 13P3, who is first aid trained, puts his skills to use in his role as a lifeguard at the local sports centre. Seeing this as a valuable skill for people of all ages he presented a bid to the Parents' Association to fund the students' training. The bid was successful and Berkshire Youth, who also match funded some of the cost, delivered the training over two days in school.

The training was organised into 1½ hour sessions for each year group and students volunteered to take part. By the end of each session the students were confident in basic first aid and had learnt about chest compressions and the recovery position.

This was an extremely beneficial course and thanks go to Joe for enabling it to take place and to the PA for the financial support.
