GOODBYE YEAR 13

Friday 25 May saw the final day of school for our Year 13 cohort. The students kept up the age old tradition of donning interesting, fun and creative costumes. The students convened in the Sixth Form area to take photos with friends and to say goodbye to their teachers. The jovial crowd of students then took their celebrations outside, into the hub space where they shared their celebrations with the rest of the school with music and dancing with the younger students.

We were graced with fantastic costumes from groups dressed as the England '66 Football Squad, Peaky Blinders, deep sea divers, the Spice Girls and even Mario Kart. The event was enjoyed by all and we wish all of Year 13 the very best of luck in their exams.

SIXTH FORM REDEVELOPEMENT

We are excited that building works are to commence on 18 June on the enhancement of our sixth form accommodation which will give us a remodelled Sixth Form study area and new conference rooms. Throughout this time, we will ensure the absolute safety of our students. Please note there will be restricted parking whilst contractors are on site for which we apologise.

“I’M A SCIENTIST ...”

Students in Year 9, 10 and 12 have been invited to join with our STEM Club students and take part in the “I’m a Scientist ...” programme over the next couple of weeks. This is an opportunity for students to find out about the work of Scientists, Engineers and Mathematicians working in Medical Research. Students who have joined the programme can put questions directly to the Scientists, vote for their favourite, and we will be having a “live chat” online.

There are still places for students who would like to take part. See Mrs Baker in E014 for information. Parents can get involved too.
