ST BART'S CELEBRATES 20 YEARS OF REFUGEE WEEK 2018

In 2018, Refugee Week marked 20 years of celebrating the contributions, creativity and resilience of refugees. The theme this year was

Simple Acts - simple things everyone can do to show support for refugees, find out more about refugee experiences and make new connections in their communities.

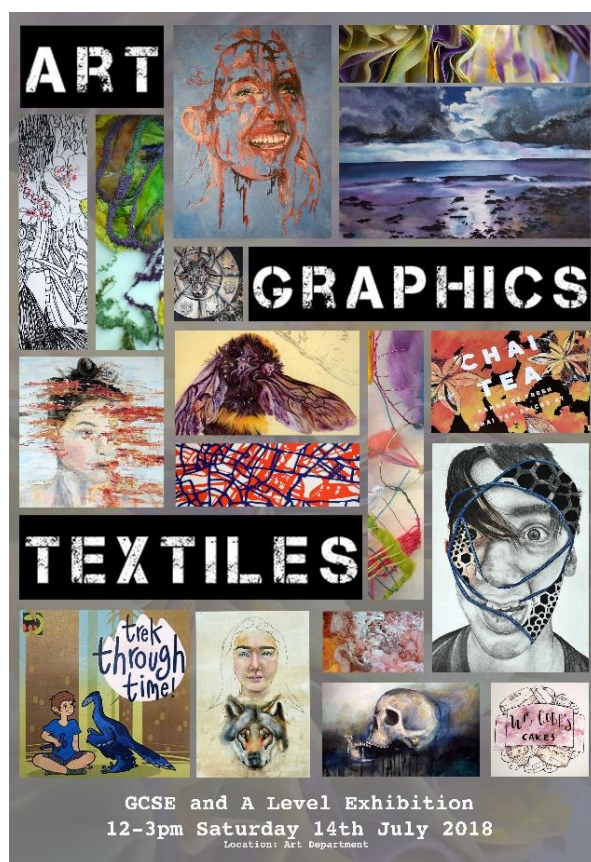

In the hub, we created a display of posters where students were able to say why they thought refugees should be made welcome, while giving out postcards and materials about Refugee Week. Later in the week, the students took part in a football penalty shoot-out on the astro, while enjoying some homemade cakes. The highlight of the week was definitely Friday's rounders match on Wormestall field, involving around 60 students and some more cake, as well as a Rounders for Refugees soundtrack.

Tutor groups have also been collecting care packages for homeless refugees in Calais and Northern France, as part of an inter tutor group competition. The final collection will be on Wednesday 18 July.

St Bart's is proud to have been part of the celebrations for the biggest Refugee Week so far. In a world where, according to UNHCR figures, nearly one person is forcibly displaced

every two seconds as a result of conflict or persecution, Refugee Week is more important than ever before.

HOUSE CHESS

House Chess for Years 7 to 9 ran in June, with each House putting forward a team of six players. The matches were fiercely contested between all four Houses. Six players were undefeated in the competition: Cameron Cogan, Emily Tucker, Sam Cheney, Ed Hall, Chokoon Lerdsuwan, and Ryan Werdal.

	Game Wins
Curnock	12
Evers	10
Davis	7.5
Patterson	6.5

After two years of domination of Junior House Chess by Patterson, this was the year for a change and a new champion. Many thanks to all of the players for their consistent effort and Mr Bell for running the competition.

#CODELIKEAGIRL

What does it involve?

Would you like to get in to coding at Vodafone? Vodafone are offering the following during the holidays. For the second year, they are running a four day coding workshop for girls aged 14-18, as part of a global programme spanning 26 countries. This programme will give girls the skills, confidence and encouragement to learn, develop and thrive in STEM fields and occupations. They will be taught the technical skills to build their own website including Html, CSS, GitHub and JQuery.

Dates & locations: Newbury (30 July - 2 August)

Requirements: Must identify as a female/non-binary, be 14-18 years old and have the necessary English language skills to complete the programme.

How to apply:

Students may complete a short video interview:

SUPPORT YOUR PARENTS' ASSOCIATION!

The Parents' Association has just given £10,000 to the School for House activities and extra curricular projects. We have been able to do this by receiving help and donations from parents and staff which support our fundraising activities. We are asking once again for the following items in time for our annual summer fundraiser, known as the Fete but this year called our Summer Social, on Saturday 14 July.

- Bottles of Wine
- Sweets/chocolates (for Tombola)
- Books
- Cakes & tray bakes
- Potted plants

Please make sure all donations are within the sell by date and are left at reception by Friday

13 July or cakes can be brought on the morning of the 14 July.

BAKE OFF COMPETITION: Enthused by the success of last year, we are running a Show Stopper and House themed Cake Competition at the Summer Social. We are inviting students to bring in a homemade decorated cake to be judged and then sold. Please see our advertisement below for age categories.

Students must keep their hair tidy and of reasonable length - this should not be exceptionally short or long. Hair dyed in unnatural or varied colours is not permitted, nor are extravagant hairstyles.

Make-up is not allowed in Years 7 – 11, nor is coloured nail varnish.

In Years 7 – 11, no jewellery or body piercing is allowed, apart from one plain stud or small ring in one or both ear lobes.

Shoes must be plain black, low heels (maximum heel height 5cm) and of formal design. Trainers are not permitted for daywear, other than PE.

All uniform items, except shirts to be worn with ties, shoes, socks and tights, are unique to the school. They are unique because they carry a discrete but visible school logo, which will ensure clarity for students, parents/carers and staff.
