## WELL DONE EVERS!

A huge thank you to all our Evers performers and helpers at the very successful Evers House Evening.

Highlights included 7E2's group medley performance of The Greatest Showman songs, Blind

Rhythm (above) performing their own composition and the end of the evening which concluded with an audience participation event to Just Dance.

Thanks to some fabulous support, a wonderful evening was enjoyed by all. We will update you with the total amount raised, but we hope it will be in excess of £1700!

Special thanks should go to the very talented Matthew Prior who expertly organised the backstage crew for a super smooth running event and also to Mr Turner for taking these pictures.

## PARKING

We have received a number of complaints from School neighbours regarding blocking of drives and inconsiderate parking. Please ensure when waiting or parking in the surrounding roads that you are not blocking any drive ways and that you are legally and safely parked. There should always be sufficient access for emergency vehicles - this applies equally to the school site. We would appreciate your co-operation on this matter to ensure everyone's safety.

## HOW TO BE MORE ENVIRONMENTALLY FRIENDLY

### Tip of the week from the Eco Club

1. Eat less meat

## PRAISE FOR BRILLIANT DANCERS

Emily Atherton and Chloe McMillan have been fantastic members of BeatZ dance troupe since Year 7 (2015). Between them they have successfully represented the school in over 14 professional performances at The Corn Exchange and Arlington Arts, not to mention numerous shows at school during their three and a half years.

Their commitment has been unwavering and they've always added their own unique style to each and every eclectic choreography. They are beautiful dancers who have a bright future ahead of them.

## JANE EYRE PERFORMANCE REVIEW

### Year 9 English

The Jane Eyre performance, by actors from the Watermill, was extremely interesting and a captivating experience. Year 9 had been doing nineteenth century reading in English lessons and one of the books available was Jane Eyre, so some of us had already been reading the book.

The performance had only three actors throughout who were switching characters in each new scene; so the audience had to pay close attention to keep up. They were very smart with the way they changed characters by using a new accent or different costume each time they switched. The performance was filled with exciting plot twists, which kept the audience interested.

In the performance, they spoke as if they were living in the nineteenth century themselves. It was very refreshing to see what language back then was like and we got to see just how much the English way of speaking has changed. Overall, Jane Eyre was very exciting to watch and I can't wait to read the book soon.

## PARENTPAY

As you are aware ParentPay is the system we use for parents to pay for school lunches, trips and other resources. Only by using this system for electronic consent and payment can we continue to offer the breadth of opportunities to students. We are working towards ParentPay being the only method by which trip information, consent and payments will be accepted.

For security reasons we will be withdrawing the facility to pay by cash at the end of this term and payment by cheque will be withdrawn in the near future.

Therefore if you have not yet created a ParentPay account, you will receive an activation letter to enable you to create your account; please contact the Finance Office for any help, or further information ([finance@stbarts.co.uk](mailto:finance@stbarts.co.uk)).

## CHILDREN IN NEED

So far we have raised an impressive £1,232.35 for Children in Need 2018. Thank you.

**Christopher Emberlin attends National Biathlon Championships in Leeds**  
Congratulations to Christopher Emberlin, who following his win at the U12 boys event in Ascot Schools Biathlon has gone on to compete in the National Biathlon Championship in Leeds.

He came 13th overall, having led after the swimming event with a new personal best of 31.24 sec for 50m. He also slashed 11 seconds off his previous 800m run time and finished in a very creditable 13th place.

Christopher thoroughly enjoyed the opportunity to compete against top athletes at a first class venue.

### SCHOOL ABC

A reminder that our School ABC was created by Year Councils and sets out clear guidelines which help to ensure success for all students:
