A sustained increase in Sixth Form students has given an opportunity to remodel and extend St Bartholomew's School. This has provided quiet study rooms for Sixth Form students and the construction of new conference rooms for school and community, boasting enhanced facilities for hirers. The work completes the second phase of the expansion and modernisation of key Sixth Form areas. The new rooms are set back from the hustle and bustle of the main school ensuring quiet, focused areas ideal for conferences, training, seminars and social gatherings.

Additionally, the school continues to offer many facilities for community use during the evenings, weekends and school holidays. This includes an extensive range of indoor and outdoor sports facilities, dance and drama studios, a large school Hall and classrooms. Catering and refreshment provision is available by arrangement.
