

# 16-19 funding: 16-19 tuition fund

**This document outlines how St Bartholomew's School, Newbury are using additional funding to mitigate the disruption to learning arising from coronavirus (COVID-19).**

**For details of the national guidance on how this funding should be used, please refer to:**

<https://www.gov.uk/guidance/16-to-19-funding-16-to-19-tuition-fund>

## **Who's the funding for:**

The funding is being provided to support small group tuition for 16 to 19 students in English, Mathematics, and other courses where learning has been disrupted. For example, vocational courses where assessment has been deferred because of lockdown. Although the actual tuition does not need to be for GCSE English or Mathematics, the students supported all need to be those who had not achieved grade 5 or above in at least one of those subjects at this level by age 16. All supported students must be on a 16 to 19 study programme.

A number of our students were successful in securing passes in English and Mathematics in the November exam season, and clearly where they have been successful there will not be targeted tutoring in those subjects beyond January 2021. However, having met the criteria for support, they are still entitled to access tuition support in other subjects.

With effect from February 22, 2021, the funding is used to provide weekly one-to-one or small group support sessions in the following subject areas. All of this Tuition is to be provided by qualified teachers all of whom are current or former members of our teaching staff. The payment model agreed with these Tutors allows time for detailed and careful planning of these sessions.

GCSE English Language  
GCSE Mathematics

A Level Biology  
A Level Business Studies  
A Level Chemistry  
A Level Classical Civilisation
