

St Bartholomew's School Parents' Handbook

Payment for Lunches and School Trips

1. ParentPay is our chosen payment method

You will be able to use the on-line ParentPay system via www.parentpay.com. A user name and password will be sent to you in the first week of the term. Monies loaded in this way provide for immediate spending. When you log into your account, select items to be added to the basket. Then use the secure online checkout process to finalise your purchase.

2. Cash and Cheques

Cash and cheques are no longer accepted as a payment method, unless exceptional circumstances. Please use ParentPay.

3. Pay Point card

This can be supplied via the Finance department. Please email finance@stbarts.co.uk to request a card.
