St Bart's Rewards and Sanctions

Rewards

1. All students have an opportunity of gaining awards and/or House and School colours.
2. Kudos points are given in recognition of students who demonstrate our **BART'S Values**, in particular for good work and effort, for consistency and improvement, for high standards of behaviour and attitude and for service to the school.
3. In addition to Kudos points, there are a range of faculty/department reward systems, which are often more widely used at Key Stage 4 as an alternative to awarding Kudos points.
4. In Years 7 – 9, there is a system of Bronze, Silver, Gold and Platinum Awards for wide-ranging commitment.
5. In Years 10, 11 and the Sixth Form, House and School Colours will also be awarded for outstanding commitment to the life of the school, including House events in non-curricular time.

Further details of Rewards and Awards for students will be provided by staff.
