St Bartholomew's School Coronavirus Risk Assessment.
1 September 2021

Start of Academic year September 2021 updated based on government guidance effective 19th July 2021.

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/schools-covid-19-operational-guidance>

Introduction

This Risk Assessment has been produced based on the government guidance for the new academic term September 2021.

In determining the Existing Risk Level, we have worked on the basis of the school operating in an environment where the risk infection rate both nationally and locally is at a level where the Government considers schools to be a safe environment for staff and students.

Controls have been implemented, reviewed and refined since March 2020 and we have used this experience to implement our controls. This RA will be reviewed and refined as the school operates and when guidance changes.

Assumptions

The school will be operating fully.

Face coverings to be worn in all common areas when moving around the school and may be worn in lessons.

Pregnant women are classed as clinically vulnerable and will have a personal risk assessment.
External visitors will continue to be managed and on-line meeting used where appropriate.

This is not intended to be a full list but identifies key assumptions relevant to the current plans.

St Bartholomew's School Coronavirus Risk Assessment.
1 September 2021

<u>Identify hazard</u>		Record the hazard that could cause harm or injury – add appropriate detail about the type and location of hazards	
1. Arriving/departing from School resulting in direct transmission of the virus .			
Existing risk level		Consider current level of risk	
HIGH	MEDIUM	LOW	NEGLIGIBLE
<u>Control measures</u>		List your control measures required to reduce risk – add appropriate detail about the type and location of controls	
<ol style="list-style-type: none"> 1. Self-staggered start times, students do not all arrive at the same time and will go straight to their tutor rooms/first lesson on arrival. 2. Those using public transport will be required to wear a face covering/mask and should safely remove their face covering/mask on arrival at school. https://www.gov.uk/government/publications/face-coverings-when-to-wear-one-and-how-to-make-your-own/face-coverings-when-to-wear-one-and-how-to-make-your-own 3. Dedicated school transport: those using dedicated travel should wear a face covering. 4. Students will arrive and exit through all gates to spread out as far as possible. 5. Additional Biostore sign in points added in Wormestall Y13 area and on entry to the Hub from the student entrance. Hand sanitiser next to each point. 6. Students to wash hands or use hand sanitiser before leaving school and when they arrive home. 7. Parents accompanying their children on foot should not come onto the school site. 8. Reception will continue to be locked and the corner office will be used for drop off or collection of students items. 9. Face coverings to be worn as soon as entering the school buildings. 			
Mitigated risk level		Consider level of risk following use of control measures	
HIGH	MEDIUM	LOW	NEGLIGIBLE

St Bartholomew's School Coronavirus Risk Assessment.
1 September 2021

<u>Identify hazard</u>	Record the hazard that could cause harm or injury – add appropriate detail about the type and location of hazards		
2. Transmission of the virus: within school - classrooms/study areas/changing rooms			
Existing risk level	Consider current level of risk		
HIGH	MEDIUM	LOW	NEGLIGIBLE
<u>Control measures</u>	List your control measures required to reduce risk – add appropriate detail about the type and location of controls		
<ol style="list-style-type: none"> 1. Students to be seated side to side and facing the front of the class. 2. Teacher to teach from the front of the class as much as possible. 3. Perspex screens to be used where appropriate or where teacher requests. 4. Face coverings should be worn by staff and students, when moving around the school and in the canteen serveries. The central hub eating area is classed as outside space. 5. Staff should wear face coverings/masks when moving around the school, where 2m distancing is difficult and if they need to move around the classroom or are working with a student in close proximity. 6. TAs working 1 to 1 with students should wear a mask at all times and maintain 1m+ from all other students. 7. Windows to be opened each morning and to be kept open to increase ventilation, weather permitting. During colder weather windows to be opened at break/lunchtimes/unoccupied to increase air exchange. 8. Students may wear coats during colder weather when windows open. 9. Windows to be opened at the top only in colder weather. 10. Tutors to re-enforce handwashing/sanitising and ‘catch it, kill it, bin it’ regularly. 11. Hand sanitiser, wipes/spray/roll, tissues and bins in every classroom. 12. Students to be advised to carry their own hand sanitiser. 13. Students to hand sanitise on entry to the classroom, and when re-entering the classroom for any reason. 14. Students must wash their hands after using the toilet. 15. Wall mounted hand sanitiser on each block/floor. 16. Resources: <ul style="list-style-type: none"> o Staff and students should have their own frequently used equipment eg pens, glue sticks and not share them. o Classroom based resources can be used and shared and should be cleaned regularly. 17. Students should limit what they bring into school to just what is needed. Bags, coats and lunchboxes always to be kept with students under their own desk. 18. Educational day and residential trips can now take place and must follow Covid-19 secure guidance in place at the time required either by the school and the destination. 19. PE changing rooms classified and treated as classrooms: area wiped down by students before use, used by single bubble, face coverings to be worn into and out of changing rooms. 20. Voluntary home testing LFD kits to be distributed to staff and students regularly as advised by Government guidance. 21. Asymptomatic Testing Risk Assessment available on school website.

<u>Control measures</u>	List your control measures required to reduce risk – add appropriate detail about the type and location of controls		
<ol style="list-style-type: none"> 1. Clear communication to all staff, students, visitors and contractors that they should not attend site if they feel unwell with Covid-19 symptoms or have been in contact with a known case. 2. Government advice to be followed https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection 3. Any staff member who develops symptoms/tests positive with an LFD test should self-isolate and book a PCR test https://www.gov.uk/get-coronavirus-test If the PCR test result is negative, they may return to work, provided they are well. If the result is positive, they should inform their manager, HR and the Leadership team of their isolation dates and follow the advice of NHS T&T. 4. Any staff member who has close contact with a positive case (household or close contact) should book a PCR test. We request staff <u>do not</u> come to work until they have the results of the PCR test. If the result is negative and the staff member is double vaccinated they may return to work. If the result is negative but the staff member is not double vaccinated, they must isolate for 10 days from the point of contact with the positive case. If the PCR result is positive please follow point 3 above. 5. Any student who develops symptoms/tests positive with an LFD test should self-isolate and book a PCR test https://www.gov.uk/get-coronavirus-test They should inform the students House Office/6th form office. If the PCR test result is negative, they may return to school, provided they are well. If positive they must follow https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection and isolate for 10 days the onset of symptoms/date of test. 6. Any student who has close contact with a positive case (household or close contact) should book a PCR test. We request students <u>do not</u> come to school until they have the results of their PCR test. If the result is negative then if the student is under 18yrs 4 months or double vaccinated they may return to school. If the PCR result is positive please follow point 5 above. 7. Any student who develops symptoms at school should be isolated, preferably in the open air either outside or in a well-ventilated room and HO call home to collect. <ul style="list-style-type: none"> o Once on site the parent will be instructed to call from the car or if on foot from outside and the student will be walked, suitably distanced, to their parent. If staff cannot keep 2 metre distance from suspected case, they should use the PPE Covid-19 First Aid kit from Reception or Medical room. 8. Any members of staff who has helped someone with symptoms and any pupils who have been in close contact with them do not need to go home to self-isolate unless they develop 			

St Bartholomew's School Coronavirus Risk Assessment.
1 September 2021

symptoms themselves (in which case, they should arrange a test) or if the symptomatic person subsequently tests positive or they have been requested to do so by the local PHE team or NHS Test and Trace.

9. Parents to be advised that any suspected cases amongst their household must be reported to school and that they should arrange for a PCR test and comply with any requests from NHS Test and Trace <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>
10. Parents and staff to inform school immediately of the results of a test.
11. If someone tests negative on a PCR test, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can return to school. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better.
12. St Bart's will follow local HPT reporting guidance.
13. All staff should wash their hands-on arrival at work.
14. All visitors and contractors must wear a face covering/mask on site unless working outside.
15. Visitors should be limited and face to face meetings avoided if possible.
16. All visitors should follow the [Covid-19 Visitor Procedures](#).
17. All contractors should follow the [Covid-19 Contractor Procedures](#).
18. Deliveries should go to Facilities office for distanced receipt.
19. Parents wanting to drop off/collect items should be directed to use the corner office in Reception to ensure physical distancing. Screens installed at main Reception.
20. Reception phone to be used by one person per day and wiped with disinfectant before and end of session.
21. All staff and students should follow quarantining advice on return from overseas trips <https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors>

Assessor's comments	Insert comments relevant to findings as appropriate		
<p>The school is now fully operational and continues to follow all relevant guidance, including additional safety measures that the school believes appropriate. The school community will be tested twice in school at the beginning of term and will then move to twice weekly home LFD tests. The rollout of the vaccination programme to all over 16's will reduce the risk to staff and sixth form over time.</p>

Chair of Governor's comments	C Colston and K Sadler, Co-Chairs of Governors.
<p>This Risk Assessment has been developed by the Leadership Team in consultation with the Governing Body. It is based on advice from the Local Authority and from the school's Health & Safety adviser as well as the National Governance Association. The Governing Body have carried out robust scrutiny in a number of ways, including feedback from key governors and the Full Governing Body GB. The Risk Assessment has been and will continue to be reviewed and monitored at regular intervals, as and when necessary and when Government advice and guidance is issued and updated over time.</p> <p>Last reviewed: September 2021</p>
