

Parents' Evening Booking System

Our Parents' Evening system is an easy to use online appointment booking system that allows our parents and carers to book their own appointments times with teachers.

We will inform Parents and carers via email when appointments for Parents Evening open for booking. Appointments will be limited to one per teacher and assigned on a first come, first served basis.

How do I log in?

Please follow this link to log into the system:

<https://stbartholomews.parentseveningsystem.co.uk>

A user account will have automatically been created for you, so all you need to do is log in using your full name and email address as well as your child's full name and date of birth. Please note that only Parents/carers with priority 1 on our system are able to book appointments. Both parents are however able to attend appointments.
