## UPDATE ON THE HOUSE CHAMPIONSHIP

The House Championship is, as usual, very close. All four Houses have tasted success in events and competitions this year. The overall House Championship is composed of 5 elements; the Academic Shield, Citizenship Shield, Arts and Enrichment Shield, Sports Shield and the Sixth Form Cup.

Dr Fitter updated students on the positions of the Houses in the House Championship in the whole school assembly this week.

### Sports Shield

With only the Summer Sport House competitions to go, the leaderboard is looking very tight, with Davis currently occupying top sport with 262 points. Right behind them is Evers in a close second place with 257 points.

### Arts and Enrichment Shield

Patterson are storming away in the lead, with Davis in 2<sup>nd</sup> place, but there are still multiple events to go, such as House Dance, Debating and Chess.

### Sixth Form Cup

Patterson are also in the lead in the Sixth Form competition on 109 points, with Davis just behind them on 101 points. Again, with so many events still to come that contribute towards this Cup, all Houses are still in the running to take victory.

## PARENT VOICE

### We'd like to hear why you would recommend St Bart's

Our website and promotional material, such as our prospectuses, are an opportunity to display our school to the wider community. We have so much to be proud of at St Bart's and enjoy promoting the fantastic work of the students and teachers. We are aware that prospective parents/carers and students like to hear from current parents/carers about why they choose to send their children to St Bart's and, for this reason, we would like to include some new quotes on our website and in our material.

**If you are a parent/carer of a student at St Bart's and would be happy to provide a quote to be used by us in this way, we would love to hear from you.**

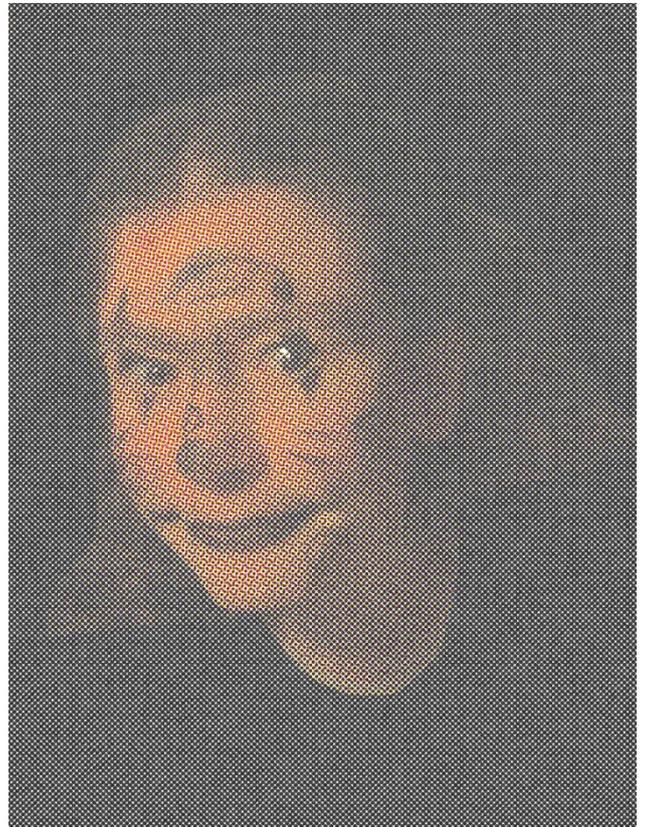

Quotes on why you would recommend our school can be sent to [bartholonews@stbarts.co.uk](mailto:bartholonews@stbarts.co.uk) and should be no longer than 100 words. Please do include your name and tell us whether you are happy for us to include your name or if you prefer the quote to be used anonymously.

Our thanks to all our parents/carers for their ongoing support and we look forward to hearing from you!

## Y11 PHOTOGRAPHY

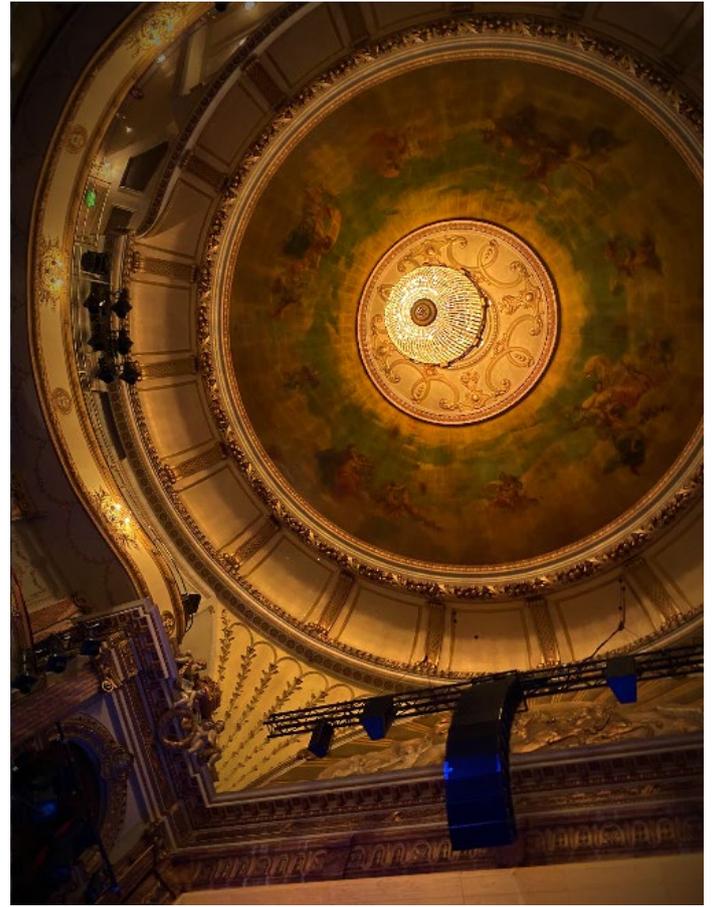

After experimenting with digital editing and learning key photography techniques, Year 11 Photography students had been set the task to create a series of photographs based around a theme or concept that they were passionate about. Here are some fantastic results!

Saria Dance produced these photographs based around the theme of Weirdcore- a normal image with a weird, surreal twist.

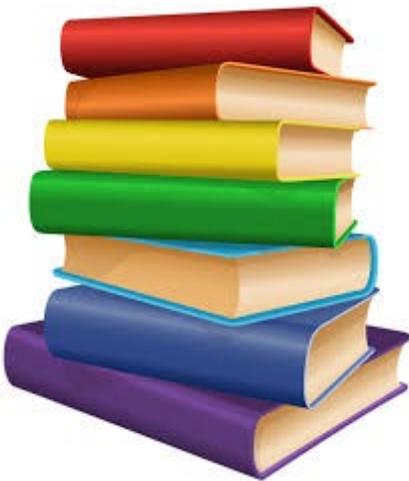

Isabel Lee-Delisle produced a series of Macro photography of natural forms.

Jemima Sugden took a series of photographs based around 'Life in London' and experimented with digital editing.

## LIBRARY REQUEST TO SCHOOL LEAVERS

### Years 11 and 13

Now that we are approaching exams and nearing the end of this academic year, we would like to remind parents that your son's / daughter's textbooks, library books and a laptop (if they have one) should be returned to the Library by Friday 24 June 2022, at the latest. Of course, students will still be using these resources to complete their studies, but please can you ensure any resources belonging to school are returned once students have completed their exams. Please can students hand them to a member of the Library staff so we can check that your account is clear. Many thanks for your help. Students can come and speak to us in the Library if there are any questions or concerns.

### Outstanding Lacrosse Success for Luci

Over the Easter Holidays, Luci (13C4) was selected to play for England's A team in the U19 Home Internationals Lacrosse tournament in Edinburgh. It consisted of 4 days of 4 matches including Scotland, Wales, Italy and England B. Well done Luci!

### Year 7 Cricket

Congratulations to the Year 7 boys cricket team who played their first school cricket match and won against John O'Gaunt School. Players of the match were Sidney for his bowling (taking 3 wickets), Freddie for his batting (scoring most runs) and Charlie for his fielding (making 3 catches).

### Year 8 Cricket

Year 8 girls took part in their first round of cricket matches at Kennet School. St Bart's A won both their games against Kennet School B and The Downs School. St Bart's B won their first game against Trinity School but unfortunately lost their second game against St Gabriel's School. All round both teams played amazingly well.

A huge thank you to our Year 10 Sports Leaders, India, Immy, Lola, Angel and Clementine, who umpired the games.

### Year 10 Girls Cricket

The Year 10 girls Cricket team played their first matches Thursday at Park House School.

The A team won both their matches convincingly against The Downs School and Park House School, whilst the B team drew with Trinity School and narrowly lost to St Gabriel's School.
