St Bart's Sixth Form is now firmly established as the **most popular Sixth Form destination** in West Berkshire.

Students join us in ever greater numbers from a wide geographical area. Nearly a third of our Sixth Form cohort enrol from other schools, contributing their own experiences to our dynamic school community, and quickly feel at home, assuming responsibilities and engaging fully with the life of the school. They join us, confident in our reputation for academic excellence and inspired by the huge variety of courses available.

Whatever their academic interests, students are engaged by our vibrant, inclusive and forward-thinking culture and are motivated by our commitment to preparing them for the challenges of the 21st century. Inspiring students to aim high, we have an impressive track record in supporting students to secure places on some of the most competitive university courses and some of the most prestigious apprenticeships in the country.

Students integrate quickly and settle into one of our 24 tutor groups, each with a mix of Y12 and Y13 students, across four Houses, led by dedicated Sixth Form House Leaders. This supportive pastoral approach promotes well-being and encourages participation in a wide range of co-curricular activities and in the Sixth Form's welcoming social scene. Driven by the student leadership team, the social calendar is a lively mix of sports fixtures, fundraising events, quizzes, open mics, crafternoons and the highly popular Winter Ball.

St Bart's Sixth Form is academically rigorous, stimulating and fun. Students enjoy their time with us and leave with the qualifications, skills and ambition to face the future with real confidence. Join us!
