SCHOOL VALUES

We take great pride in the inclusive nature of our school, putting pastoral care at the heart of what we do. It is important that every student feels that they belong at St Bart's and we take every opportunity to remove barriers so that all students can do their best.

Our St Bart's values, Brave, Ambitious, Respectful, Trustworthy and Safe exemplify the ethos that permeates the school. As a result, teaching at St Bartholomew's School is a rewarding experience. Our students are eager to learn, well behaved and proud of their school.

As a school we are committed to ensuring that all the students and staff realise their full potential. Students leave the school as good citizens and this is underpinned by an exceptional house system.

The staff at St Bartholomew's care very much about the community and are ambitious for the school in terms of learning and enrichment opportunities for all the students.

The wide range of co-curricular enrichment offers all students opportunities for learning and enjoyment. This includes clubs and activities such as debating, chess, moth club, craft and horticulture, as well as Chinese and Latin classes and a huge range of activities in music, drama and dance. House competitions and activities involve all students. Sporting traditions are very strong with an exceptional range of sports teams competing successfully at the highest standard. Our students love representing their school.

SCHOOL FACILITIES

Our school buildings include outstanding teaching facilities: drama and dance studios, extensive music practice rooms, IT and media suites, specialist design technology rooms and well-equipped laboratories.

Sports provision is exceptional including a multi-purpose sports hall, a well-equipped gym hall, an outdoor synthetic turf pitch, a multi-use games area and extensive playing fields.

"Our children are benefiting from the passion, dedication and professionalism that is everywhere you look."
