

St Bartholomew's School Parents' Handbook

Keeping Informed: School News

Termly Calendar

At the end of each term, a calendar containing key dates for the following term is published on the school website. Key dates for the year ahead and term dates for the following academic year are also available on the [school website](#).

Our Website: www.stbarts.co.uk

Our [Parents/Carers Portal](#) on the website is a useful source of information and quick links, including to school contact details, the parent handbook, the key communications archive and our school menu. You will also find helpful information on school applications such as ParentPay, Satchel:One, SIMS Parent App and our Parents Evening System. We would encourage all parents to explore the website.

BartholoNews

BartholoNews is our school newsletter. It is published every Wednesday during term time and features:

- Student stories
- News about subjects, school trips and activities
- A weekly calendar
- Links to the latest career opportunities for students
- PE news
- Information on Parent Association events

You will receive a weekly link to the latest BartholoNews each week via email. The [latest newsletter and past issues](#) are available on the school website.

Social Media

We also regularly share news on our school social media accounts. Please do follow us:
