Issue No: 1063

HEADTEACHER'S MESSAGE:

It has been a school year jam-packed with opportunities. Despite the significant challenges facing the school, I am so proud of the unrelenting hard work and commitment of the staff to ensure that the students at St Bart's not only continue to experience high quality lessons but have the opportunity to take part in a very busy calendar of trips, events and competitions... [read more.](#)

CALENDAR:

End of term, Summer School, A Level Results, GCSE Results and September 2023 start of term arrangements.

BIOLOGY FIELD TRIP:

On 3 July Year 12 Biology students departed for Aberystwyth in Wales to investigate and conduct research for our required practicals.

SPORTS PERSONALITY OF THE YEAR:

St Bart's PE Department hosted their annual "Sports Personality of the Year" awards, with a special guest appearance from rugby player Will Joseph.

CHAMPIONS OF ENTERPRISE:

The Sixth Form hosted our annual Champions of Enterprise event, working in teams to develop solutions to real-life challenges faced by companies today.

HOUSE DANCE:

The annual House Dance competition was held in front of a large audience and judged by Reuben Spence.

BUSINESS AND ECONOMICS CONFERENCE:

The Business and Economics department organised a conference with various speakers invited to talk to students about their A Level experience.

SCHOOL UNIFORM:

Our uniform suppliers are ready for a busy summer holiday and have provided us with summer information. Our new outdoor PE tops and PE socks are now available.

BARTHOLONNEWS HEADER COMPETITION WINNERS:

This year's BartholoNews banner competition received an impressive number and range of entries.

2023 CURRICULUM DAYS:

As is tradition at the end of the Summer Term, our KS3 students have this week enjoyed two Curriculum Days.

YEAR 7 CRITICAL THINKING AND LATIN WORKSHOP:

Did you know only 3% of state and grammar schools offer students the opportunity to learn Classics and Latin.

YEAR 10 ABLE LINGUISTS' AFTERNOON:

50 students from Year 10 took part in an Able Linguists' event, meeting ex-students who are now studying languages.

DANCING CHAMPIONS:

Several St Bart's students travelled to Blackpool recently to compete at the NATD Ballroom and Latin dancing Grand Finals.

SUMMER EXHIBITION 2023:

Visit our [Summer Exhibition website](#) to view the final outcomes from all our A Level and GCSE Art, Graphics, Photography and Textiles students.

SUMMER BART'S BEES:

Another busy term in the Textile department. Huge congratulations to all the students who completed their products this term.

FISHBOURNE TRIP REVIEW:

Students from Years 9-12 who study Latin or Classical Civilisation had the opportunity to visit Fishbourne Roman Palace.

ARMY SUMMER CAMP 2023:

Army cadets from Years 10 to 12 had an excellent week away on camp completing a plethora of fantastic activities run by the Cadet Training Team.

YEAR 10 CITIZENSHIP CHARITY CAR WASH:

Students built campaigns for causes close to them. The winning campaign was able to donate the money raised from the car wash to their charity.

BTEC HOME COOKING SKILLS CURRICULUM DAY:

During Monday's Curriculum Day, the BTEC Year 10 Home cooking skills students by cooked and served 'Afternoon Tea' to their invited guests.

YEAR 8 FINANCIAL AWARENESS WORKSHOP

Year 8 students participated in a financial awareness workshop. The event was run virtually by the Education and Business Partnership.

HEADTEACHER'S MESSAGE

It has been a school year jam-packed with opportunities. Despite the significant challenges facing the school, I am so proud of the unrelenting hard work and commitment of the staff to ensure that the students at St Bart's not only continue to experience high quality lessons but have the opportunity to take part in a very busy calendar of trips, events and competitions. As always, we are constantly evaluating our provision and performance as a school and we continue to make further improvements so that all students enjoy their learning and grow in confidence and self-worth so that they can thrive in our ever-changing world.

House Championship update

The final result of the House Championship for 2022-23 cannot be decided until the outcomes from the public exams have been analysed to complete the Academic Shield. However, Miss Thorne has been busy accumulating the results from all of the many and varied competitions that contribute towards the different shields and cups of the House Championship. The results in the Sports Shield, the Art and Enrichment Shield, the Citizenship Shield and the Sixth Form Cup will be announced to students in their final whole-school assembly of the year today, so no spoilers in BartholoNews, I'm afraid.

Farewells

We are sadly saying goodbye to the following members of staff as they leave at the end of term to take up new ventures.

Mrs Bell, Teacher of Food/Leader: KS4 PDP
Ms Bendelow-Smith, Teacher of RE
Mr Cooper, Teacher of Maths
Mr Durie, Head of English Faculty
Mr Ebbs, Head of Psychology
Mr Glasspool, Teacher of History
Mr Healey, Teacher of MFL
Miss Howes, Teacher of Science
Mrs Irwin, Teacher of English
Ms Kerr, Teacher of History
Mr Lawes, Deputy Headteacher
Ms Oluoch, Head of Humanities Faculty
Miss Prior, Teacher of MFL
Mr Scott, Teacher of Business & Computing
Mrs Stevens, Head of Computing,
Mr Sutherland, Head of Curnock House
Mr Tulip, Teacher of Geography
Mrs Woolf, Teacher of English.
Mrs Frieburghaus, School Counsellor.

Whether they have been part of St Bart's for a year, or for more than 20 years, their service is most valued and appreciated and we thank them all for everything they have contributed to St Bart's and wish them well for the future.

Calendar

END OF TERM	Thursday 20 July	school day finishes 12.30pm
Summer School	Monday 24 – Wednesday 26 July	
A level Results	Thursday 17 August	
GCSE Results	Thursday 24 August	

SEPTEMBER 2023 Start of Term Arrangements

Staff Training Day - school closed to students	Monday 4 September	
Staff Training Day - school closed to students	Tuesday 5 September	
Y7 and Y9 arrive for 8.40am	Wednesday 6 September	
Y8, Y10 and Y11 arrive for 9.50am	Wednesday 6 September	
Y13 to arrive for the start of P3 (11.10am) Y13	Wednesday 6 September	timetables will be emailed to students on 05/09 and lessons start immediately.
Normal start time for all year groups (8.40am)	Thursday 7 September	
Normal start time for all year groups (8.40am)	Friday 8 September	
Normal timetable for all year groups	Monday 11 September

Parents' Association AGM

The Parents' Association will be holding it's AGM on Wednesday, 20 September 2023 at 7.30pm in the Wormestall Conference Centre. It is essential that we elect a new Chair for the committee at this meeting. If you would like further information, please contact Rebecca at stbartspa@gmail.com.

[Return to contents](#)

BIOLOGY FIELD TRIP

On 3 July Year 12 biology students departed for Aberystwyth in Wales to investigate and conduct research for our required practicals. On day one, we arrived and went to Borth Bog and found a variety of different plants that could only grow in acidic conditions. We also discovered that the peat in the bog is around 8m deep and may contain the corpses of ancient wolves and other creatures that lived in the area thousands of years ago.

On day two, we had a lovely sunny day at the shore where we conducted a vertical transect and identified many creatures and their zonation followed by ice cream bought by Mrs Woodgate. On day three we found small insects in the rivers and tried (and failed) to measure the abiotic factors. On the final working day, we explored the sand dunes and conducted point quadrat tests and ended up taking some of the dune with us in our shoes.

SPORTS PERSONALITY OF THE YEAR

On Wednesday 12 July, the PE Department hosted their annual "Sports Personality of the Year" awards, with a special guest appearance from Will Joseph (Harlequins and England Rugby player). It was a fantastic evening, celebrating the success of the students and the participation across a variety of sports this academic year.

Many awards were up for grabs, including Coach's Player of the Year, Most Improved and Players' Player for each sport in each year group and the coveted "Sports Personality of the Year".

Mr Sullivan hosted a Q&A with Will Joseph, questions ranging from how he found his time at St Bart's, any advice for aspiring athletes, most famous person in his phone and finally any hidden talents - he can play the piano!

Will very kindly stayed at the end to answer questions from students and take numerous photos which no doubt inspired the next generation of athletes.

Miss Bilcliff, who organised the event, said, "a massive well done to all of our students who have represented the school over the last year. We cannot wait to see what else they achieve in the future - it's been another brilliant year watching our students grow and making us proud. We were delighted to be able to celebrate them all in one evening. A huge congratulations to all the award winners; their commitment and passion for sport has been clear to see and they are all very deserving winners."

List of winners:

Year 7 Male Sports Personality of the Year: Jonny Cahoon

Year 7 Female Sports Personality of the Year: Chloe Yorston

Year 8 Male Sports Personality of the Year: Edward Hancock
Year 8 Female Sports Personality of the Year: Jessie Archibald
Year 9 Male Sports Personality of the Year: Sam Smith
Year 9 Female Sports Personality of the Year: Annabelle Franklin-Wilson
Year 10 Male Sports Personality of the Year: Jacob Avery
Year 10 Female Sports Personality of the Year: Meg Archibald
Male Sports Leader of the Year: George Buckettt
Female Sports Leader of the Year: Emily Westbury
Boys' Team of the Year: Inter Boys' Athletics
Girls' Team of the Year: Year 10 Girls' Football

CHAMPIONS OF ENTERPRISE

Last week, the Sixth Form hosted the annual Champions of Enterprise event. Our Year 12 students spent the day working in teams to develop solutions to real-life business challenges faced by companies today. The teams then pitched their ideas to actual business leaders. The day was a great experience for those involved, enabling students to develop skills in team-work, leadership, planning, working to a brief and presenting. A huge thank you to Education Business Partnership for helping organise the day

and to the

businesses who

generously gave their time to support this initiative: Environmental Solutions, Woodstock Legal Services, Westcoast, Barclays, Barrett, EweMove, Gardner Leader Solicitors, Generate U.K., Waitrose and Splunk.

[Return to contents](#)

HOUSE DANCE

Last Thursday saw our annual House Dance competition held in the school hall in front of a large audience. This year, the competition was judged by Reuben Spencer, member of Orb Youth Dance Company in Eastleigh and FuzzyLogic based in Southampton. Reuben has been filmed for the BBC dance passions and was in the Newbury panto last year. At the end of June, Reuben produced the Young Performers Showcase at the Corn Exchange, where he was part of the front of house team.

The House teams showcased performances by Year 7, Year 8 and Year 9, as well as Year 10 dances with and without props. The dancers were led by our

Year 12 students, who were responsible for their House's whole programme including choreography, music and costumes.

Each House was recognised with the following awards: Teamwork Award (Curnock), Organisation Award (Davis), Determination Award (Evers) and Resilience Award (Patterson). The competition was extremely close with fantastic dedication from all those students involved, but there could be only one overall winner on the night and the winners were...CURNOCK! Davis took 2nd place, Patterson 3rd and Evers 4th.

Our congratulations to Curnock House, as they are crowned House Dance Champions 2023.

[Return to contents](#)

BUSINESS AND ECONOMICS CONFERENCE

The Business and Economics department organised a conference on Friday 14 July. Various speakers were invited to talk to students about their A Level experience, the route they took after A Level, the courses they have followed both at university and through a training/apprenticeship route and the careers they have pursued. Six of the eight speakers were ex-students, not much older than our Year 12s. The event supports students in planning their next steps. Students also had the opportunity to hear all about the benefits of starting your own business, or businesses, as in the case of Steven Northam (look him up on Channel 4's George Clarke's Amazing Spaces!)

Thank you to our guests who gave their time to support students - Isobel Langley, Rebecca Horne-Smith, Alex Murtagh, Angus Waddington, Ben Willsher, Joe Linehan, Sophie Linehan and Steven Northam.

[Return to contents](#)

SCHOOL UNIFORM

Our uniform suppliers are ready for a busy summer holiday and have provided us with summer information. Skoolkit is running an [online order promotion](#) and West Berkshire Clothing has a [discount month](#) running until the end of July. Both advise that online orders are made in good time to allow for delivery before the start of the new term.

Our new outdoor PE tops and PE socks are available from our suppliers. All Year 7 students in September are expected to be

wearing the new PE items, whilst those in Years 8 to 11 are not expected to purchase the new uniform, unless they outgrow their own uniform and need a replacement.

Our suppliers have provided us with information about summer opening times.

West Berkshire Clothing will be operating a pop-up shop in school to coincide with the Summer School dates on Monday 24 July, Tuesday 25 July and Wednesday 26 July from 9.00am to 10.30am and 3.00pm to 4.00pm on each day.

Skoolkit shop in Parkway, Newbury is open during their normal business hours. Please allow plenty of time as the shop can be busy.

The **Parents' Association** will open their second hand shop during the holidays on Monday 24 July, Tuesday 25 July and Wednesday 26 July from 2.00pm to 4.00pm each day. They will also open on Monday 4 September from 10.30am to 1.00pm. This shop stocks a wide range of good quality second hand uniform at very reasonable prices.

A letter has been sent recently reminding parents/carers of our uniform expectations. Our uniform grid is in the [Parents' Handbook](#).

In September we will complete our regular uniform checks to maintain our high standards; the vast majority of students wear the school uniform with pride and we hope that this continues next academic year.

[Return to contents](#)

BARTHOLONNEWS HEADER COMPETITION WINNERS

Thank you to all the students

who entered this year's BartholoNews Competition to submit an idea for the new title design for our newsletter. We were so impressed by the number and range of entries. Congratulations to Mavis, Year 12, whose design has been chosen as the winner and will feature at the top of our weekly school newsletter throughout 2023/2024. Dr Fitter recently presented Mavis with the winner's certificate for our portfolio and a Hobby Craft voucher for her future projects.

Special mentions also go to...

Sophie Lystor (Year 9)

Rishik Kar (Year 9)

Gwen Wharry (Year 10)...

...whose designs were worthy runners up.

[Return to contents](#)

2023 CURRICULUM DAYS

As is tradition at the end of the Summer Term, our KS3 students (Years 7, 8 & 9) have this week enjoyed two Curriculum Days (Monday and Wednesday). Year 7 have been visiting Portchester Castle as part of their studies in History, exploring the castle in depth and learning more about the development of warfare and society in Britain, from the Roman period onwards. Year 8 have been focusing on Biodiversity at the Cotswold

Wildlife Park, enjoying a tour of the park and seeing how the animals are managed in this setting. Finally, Year 9 students have been touring Slough Central Mosque giving students the opportunity to experience what it is like to be a British Muslim first hand, as well as appreciate the beliefs and practices associated with the religion.

As well as the trip experiences, all students also spent a day off timetable enjoying subject activities from our English, Maths, Modern Foreign Languages, Expressive Arts and PE departments. Activities included food tasting with MFL, during which Year 7 students were challenged to try new foods from around the world and describe them in the various countries' languages. Year 8s could be found battling the Crystal Maze in the Mathematics department,

including the 'ball pit crystal dome'! English planned a collection of activities for Year 9 based on Shakespeare's life, times and texts. Students performed famous speeches, made masques fit for Capulet's ball, explored Shakespeare's wordplay and insults and researched 16th century Stratford-upon-Avon.

Finally, all students took part in our 3½-mile circular sponsored walk around Speen Moor and the local area. The aim is to raise money to enhance and enrich education by supporting the funding of students' participation in co-curricular activities. Our thanks to all those who have already made sponsorship donations in support of our students. Donations can still be

made via this [page](#). By using this Donation Page, you are able to Gift Aid it and we would be grateful if you could add the word 'Walk' as a reference to the donation.

All in all a busy end to term, and we'd like to thank all those support trips, walks and activities!

[Return to contents](#)

YEAR 7 CRITICAL THINKING AND LATIN WORKSHOP

Did you know, only three percent of state and grammar schools offer students the opportunity to learn Classics and Latin.

On Friday 30 June, we had an exceptional opportunity. For Critical Thinking, we were presented with an argument based around biscuits and identified: a rant, explanation, list, and argument. We used this theory to identify some more, including the five main fallacies, which was really interesting.

We also learnt some Latin and that we can choose this as a subject in Year 9. A memorable moment was casting Harry Potter spells and trying to disarm our teachers and Sixth Formers - it turned out to be a very funny! At the end, we got to talk to some of the Sixth Formers about effective ways to revise, what skills we could use, and opportunities we should take when doing our GCSEs and A Levels. We thank Miss Marshall, who provides these opportunities, and Mr Horn for leading the Latin workshop. This experience is part of one of the 'Stretch and Challenge' opportunities, which anyone can get involved in at our school. If you wish to get involved, then get in contact with Miss Marshall.

Alden Willoughby, (7D3)

[Return to contents](#)

YEAR 10 ABLE LINGUISTS' AFTERNOON

On Wednesday 12 July, over 50 students from Year 10 took part in an Able Linguists' event. In the course of the afternoon they were able to meet and interview ex-students who are now studying languages, talk to the

current Year 12 students, try a taster lesson in a different "new" language and they were also given a short talk by the University of Bristol MFL faculty. The aim of the afternoon is to broaden students' understanding of the importance of languages beyond school and how many possibilities open up when you are able to communicate effectively in more than one language. The feedback from students was overwhelmingly positive, with many saying that they particularly enjoyed talking to ex-students who were able to give them a detailed insight into languages beyond school.

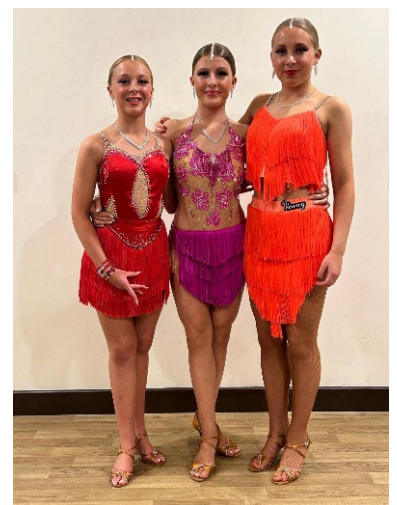

[Return to contents](#)

BALLROOM DANCING CHAMPIONS

Several St Bart's students travelled to Blackpool recently to compete at the National Association of Teacher's of Dance Ballroom and Latin dancing Grand Finals. They lit up the famous dance floor of the Empress Ballroom as they faced stiff competition, in several categories, from schools across the country and Europe. They had another successful year bringing home 15 trophies in total. Fab-u-lous.

Competing were Lily Arlow, Phoebe Conway, Holly Conway, Mariella Froad, Bella Hughes, Gabriella Hughes, Georgina Sheffield, Harriette Sheffield, and Ellie Wiltshire.

SUMMER BART'S BEES

It has been another busy term in the Textile department with KS3 students making their felt monsters and cultural tote bags. Year 9 students have been looking at Pop Art and producing their own fabric Pop Art portraits of celebrities. Huge congratulations to all the students who completed their products this term. We hope you all have a lovely summer. This term's Bart's Bee Awards, for being student of the term in Textiles, have been awarded to:

7TA – Miss Brock

Winner: Maya Creteur (7E2)

Runners Up: Shreeya Agarwala (7P2), Jeannie Cheng (7P2), Caitlin Moore (7E1), Reem Shadoufa (7E1), Roba Shadoufa (7E2)

7TB – Mrs Wenlock

Winner: Mia Mackfall-Harrison (7P3)

Runners Up: Ellie Godwin (7E1), Harry Barnett (7P2), Solar Chow (7P2)

7SA – Miss Brock

Winner: Helena (7D2)

Runners up: Sasha (7C1), Lenka (7D3), Anna (7C1)

7SB – Mrs Wenlock

Winner: Rosalie (7D2)

Runners Up: Johnny (7C2), Oliver (7D3), Caitlin (7D2)

8TA – Miss Brock
Winner: Matilda (8E3)
Runners Up: Cass (8P2), Freddie (8E2), Josie (8E3)

8TB – Miss Richardson
Winner: Alex (8P1)
Runners up: Flo (8E3), Chris (8E3)

8SA – Miss Richardson
Winner: Eleanor C 8D2
Runners up: Deacon C 8D1, Alexa B 8C3

8SB – Miss Brock
Winner: Chloe Johnson 8C2
Runners up: Ellena Clare 8D2 ,Amelie Crowther 8D1, Sofia Hughes 8D2, Freya Machon 8D2

9T – Miss Brock
Winner: Mia Martin- Flaven (9P2)
Runners Up: Hannah Fidgen (9P3), Eibhlin Lamb (9P3), Pippa McGall (9P1),

9S – Miss Brock
Winner: Misqal Adil (9C2)
Runners Up: Miley Cook (9D2), Izzy McAnally (9D2), Sophie Thomas (9D1), Brooke Thomasson (9D2)

[Return to contents](#)

FISHBOURNE TRIP REVIEW

On Wednesday 5 July, students from Years 9-12 who study Latin or Classical Civilisation had the opportunity to visit Fishbourne Roman Palace. The first activity we did was watch a short film on the history of the ruins, and then we went to a workshop. This was my favourite part of the day as we got to handle actual artefacts found at the palace. We had to discuss what we thought they were and how this could be linked to our knowledge of Roman Britain. Then we got to look at a model of a Roman kitchen (culina), which was interesting as I had just studied Roman houses in class. Another highlight came next, when Amos and Erin dressed up in Roman clothing for us to see how the

masters (dominus and dominae) may have dressed. In our last workshop, we looked at Roman military clothing and tactics. Mr Giannakakis even got involved with dressing up! Finally, we looked around the palace and I loved seeing the mosaic floors, some of which were in almost pristine condition. It was a great day and furthered my interest in both Latin and Classics, which I am considering for A Level. For the younger years, when you have the opportunity, definitely try to get involved with Latin as it boosts your other subjects and is such an interesting subject. We also have a lot of fun – as you can probably see from the pictures!

[Return to contents](#)

ARMY SUMMER CAMP 2023

A group of our Army cadets from Years 10 to 12 had an excellent week away on camp completing a plethora of fantastic activities run by the Cadet Training Team. We started the week with a two-day field exercise including a night spent under bashers in the woods. Monday began with a lesson in individual fire and manoeuvres, followed by harbour drills, survival (axe throwing, blow pipes, and catapults), and patrolling. After waking up in the field the next day, we completed section attacks, an ambush ably led by Bella Warner, laser tag in the woods, and a TIBUA exercise where cadets cleared a compound of the enemy who were led by General Gary the Snail! We were commended on our enthusiasm and teamwork by many of the Sargeants running the stands.

After getting back into camp, we set off on Wednesday for a day of adventure training. We did mountain biking, climbing and archery in the morning, followed by paddle boarding, kayaking and raft building in the afternoon. Thursday was a day in camp where we did a rotation of obstacle courses, DCCT (electronic range, where Ryan Pateman and Dan Cornall were excellent shots, clay shotgun, paintballing, and an escape room in which two of our teams got into the top three quickest times!

The last day was competition day against all of the other CCFs attending camp. We put in teams for 10 events, starting with an astonishing performance in the military knowledge quiz led by Will Bloxom. Will Noble scored a very impressive 9 out of 10 in the clay shooting, and the team made a very impressive fast run on the obstacle course. The crowning glory was the mountain biking team who won silver medals! George Berry was nominated by our NCOs as best cadet of the week.

Captain Edwards did an excellent job of looking after us all and organising us to be where we needed to be when we needed to be there.

[Return to contents](#)

Y10 CITIZENSHIP CHARITY CAR WASH

Recently, Year 10 students hosted a charity car wash for All Yours, a charity that aims to tackle and eliminate period poverty by making where period products free and universally available to everyone who needs them. They also promote high quality period education in schools and the community.

This cause was picked after the students pitched several causes using creative ways to highlight their chosen charities. Two groups made a video and another recorded a podcast about their charity. The All Yours group was deemed to be the most persuasive and detailed. Well done!

[Return to contents](#)

BTEC HOME COOKING SKILLS CURRICULUM DAY

During Monday's Curriculum Day, the BTEC Year 10 Home cooking skills students made super use of the day by cooking and serving 'Afternoon Tea' to their invited guests. This forms part of their portfolio of evidence required for their Level 2 qualification.

Students had planned what they wanted to cook and had practiced their dishes, thinking out how to present them attractively. Invitations had been designed and sent home to family members and staff in school.

Students started the day by weighing the ingredients and cooking their chosen dishes. Clearing up was completed before students finished decorating their cakes. Menu cards were created with descriptions of the food and finally allergen information labels were made.

Students were the hosts for the afternoon. They welcomed their guests, served the food and drink and showed off what they had learnt this year. A very successful day that everyone enjoyed, students, staff, parents and grandparents!

YEAR 8 FINANCIAL AWARENESS WORKSHOP

On Thursday 6 July, all Year 8 students participated in a financial awareness workshop. The event was run virtually by the Education and Business Partnership. The theme of the event was 'planning an event' and the aim is for students to be aware of the costs of organising an event, potential revenues and the importance of planning and budgeting. Students completed a booklet during the workshop, making practical use of their maths skills. In their feedback, students said 'it was good to see how maths can be applied in the real world'.

[Return to contents](#)

PE

Rounders Finals

Our Year 7-10 A and B teams participated in our final girls' fixture of the year on Tuesday 11 July. All teams played Kennet School with both our Year 7 teams winning comfortably. Our Year 8 A team won, with our B team losing. Our Year 9 A team lost by a narrow margin but our B team won. Finally, our Year 10 A team won both of their games and our B team won one and lost one. A fantastic turnout for Rounders this year with some great results.

Year 7 Cricket

Well done to the Year 7 boys' Cricket team who played their final league match, hosting Trinity School.

Trinity scored 72 runs for 7 wickets. St Bart's scored 115 runs for 2 wickets.

Well done to Ollie who retired on 20 runs - two 6s and two 4s. Josh also hit some good runs - including a 6 and two 4s, and Wilf took a wicket with each of the first two balls of his double wicket maiden over.

Player of the match was Johnny who hit 18 runs, including two 6s, and also bowled a double wicket maiden over.

Year 8 Cricket

Well done to the Year 8 boys' Cricket team who won their final West Berkshire League match vs Kennet School. Great team performance taking 14 wickets and scoring 88 with three players retiring after reaching 20 runs. Player of the match was our very own Stuart Broad, Harrison Sargeant-Keeling, taking two wickets and making two awesome catches. This makes us the West Berkshire league champions. Well done to all involved.

Year 10 Cricket

The Year 10 Cricket team wrapped up their season with a very enjoyable game against Trinity School. Trinity scored 55-7 in their 75 balls, with Shivam and Amogh sharing a number of the wickets. Bart's then scored 99-9 in response. Despite a top order wobble, a number of our less experienced cricketers then saw the game home, with Jack (11 runs), Jacob (6 not out) and Eoghan (7 not out) all chipping in. Player of the match was Jack for his excellent batting performance on debut.

Year 7 Athletics

Congratulations to the Year 7 girls who took part in the County Athletics competition at Palmer Park.

Having performed very well at the recent Area Athletics and being placed in either 1st or 2nd place they were selected to take part in the County Athletics.

Thea McClellan - hurdles, Chloe Yorston - 150m, Eva Mahoney - long jump, Bella Meir – shot put, Sienna Powell - discus, Nina Reid - discus, Daisy Wallis - javelin.

Well done to you all on your performances.
