£184 RAISED IN GREAT BARTS BAKE!

The heat was on in the Food department on Wednesday 18 June as our talented students took part in The Great Barts Bake Off – a deliciously fun event in aid of Ulafu School in Kenya.

Finalists were chosen from a wide range of impressive photo entries, and they didn't disappoint! The creativity, effort and skill on display was outstanding. The Kenya Link members acted as judges and had the very difficult task of choosing the winner.

Following the competition, the cakes were generously donated to our Bake Sale on Friday 20 June, where students and staff had the chance to buy a slice of the action. Thanks to the generosity and support of our school community, we're proud to share that the event raised £184 – all of which will go directly to supporting education at Ulafu School.

A huge thank you to everyone who entered, baked, bought cakes or helped out – your efforts really made a difference.

Roll on next year's Bake Off! See more photos on our website later in the week.

FOUNDER'S DAY

Last Wednesday 18 June, our school gathered for the annual St Bart's Founder's Day Assembly. Dr Fitter began by reflecting on the history of our school, *"from its foundation in 1466 arising from the will of Henry Wormestall to the present day, an astonishing 559 years of history. Not many schools can boast of such a history."*

We heard how, in 1975, St Bart's Boys Grammar School and the Newbury Girls' School merged to form the St Bartholomew's comprehensive school. Our school colours are a combination of the green of the old boys' school and the purple of the old girls' school.

Dr Fitter described the initial *"gulf in attitudes between the boys and girls, despite having been close neighbours geographically for many decades."* They were accustomed to strict rules about not talking to the opposite sex so only the new Y7s were originally taught in mixed classes and so it took until 1980 for the school to be truly co-educational.

What has not changed is that school life continues to be underpinned by routines and rituals. From the Welcome Evenings for our new Y7s to the 13 Leavers' Proms, these moments of reflection, recognition and celebration of shared experiences and accomplishments provide a sense of belonging and connectedness. They are markers on each individual's St Bart's journey - seven years of memories and moments of belonging.

Dr Fitter said, *"a thriving school isn't just about academic results; it's about fostering an environment where all of you feel seen, valued, and part of something much bigger than yourself. Our school aim is for all of you to enjoy your learning, grow in confidence and self-worth so that you are able to thrive in school and also in the world beyond school."*

Finally, our new Head Student team (2025-26), Charlie, Katya, Jacob, Ellie and Swathi spoke of their plans for the year. Charlie told us more, *"During the assembly, we talked about the important training weekend at St*

Cassian's; then introduced the pledge, which our Deputy Head Students, Jacob, Ellie and Swathi, read out, to inform each and every student of our ten goals. These 'Ten Commitments' focus on areas such as strengthening student voice, improving wellbeing, increasing engagement in House competitions, supporting the school's sustainability work, and much more."

YEAR 13 PROM

Last Friday was Year 13 students' last hurrah - the Class of 2025 Leavers' Prom. After overcoming our A Level exams, we danced the night away for one final time celebrating all of our achievements as a year group. For some of us this marked the end of seven years at St Bart's School and for all of us this was the end of an incredible two years in the Sixth Form. The Prom was held at the Newbury Racecourse, organised by the amazing event managers. Everyone dressed up in their very best attire. There was music, dancing and a buffet. It was a brilliant night to remember and a fantastic way to send off the Year 13s into the world! A huge thanks to all the staff who organised and supported the event. We really appreciate it. Good luck to everyone for their A Level results!

EDUCAKE CELEBRATE 10 YEARS WITH ST BART'S

Thank you so much to Educake who last week visited St Bart's and brought with them over 1400 Freddo bars for our students!

Educake provides automatically marked quizzes across a range of subjects, helping students to revise and giving teachers instant insights into student progress. Designed to support retrieval practice, Educake helps students identify their strengths and areas for improvement. Our Science department were one of the first to adopt Educake and we have now been working with them for over ten years! To mark this milestone, the school was joined by Educake's Nicola Allen (Managing Director), Beatrice Emmett (Marketing Team) and Elsa Parker (School Success Team) who visited a Year 7, Year 10 and Year 12 class to get feedback on how students use Educake to help their studies. In the Year 7 class they also saw a quiz in action with students being rewarded with House Points.

Educake Managing Director, Nicola Allen, said: "We're so pleased to be celebrating ten years with St Bartholomew's School. The fact that their Science department has been using Educake for a decade says a lot about the trust they've placed in us and their commitment to supporting students' learning. What really matters to us is knowing that Educake has been part of classrooms, homework and revision sessions year after year. We're proud to have been alongside them for the journey."

Head of Science, Dr Alonzi, said: "The visitors from Educake were really impressed with all the students they spoke to and said it was great to see Educake in use. Students certainly enjoyed the Freddos they received too!". For more information about Educake and how it supports students and teachers, visit www.educake.co.uk

FIVES FIRST COOPER CUP COMPETITION

Last Friday saw the inaugural Fives Cooper Cup Competition at St Bart's; the splendid cup has been kindly donated by David Cooper - a long-time supporter of Fives at the school.

Despite the very hot conditions, eight year 8 students took part and soon got the hang of the timed games in the round robin stage, with some excellent and competitive Fives being played.

A totalling of individual scores after the round robin stage produced the draw for the semi-final stage; one semi-final went to a dramatic golden point, with the score being level after 15 minutes play.

The keenly contested Final was between Freddie and Gabriel v Oscar and Ethan, and was watched by a good sized crowd from Newbury Fives Club. The final also went to a golden point, Oscar and Ethan coming out as winners; congratulations to them and well played to all, who were a credit to the school and the game of Fives.

Fives continues until the end of term on Wednesday lunchtimes and Friday after school, with coaching provided by Newbury Fives Club; new players are always welcome and should sign up with Mr Talbot.

Fives is the greatest game played on a court and St Bart's are very fortunate to have three great courts.

BART'S FOOTBALLERS IN BARCELONA

Congratulations to Lucia (7D3), Amy (7D2) and Eva (9E2) who play for Swindon Town FC Girls Centre of Excellence and were recently taken to Football Cup Barcelona. This is an international youth football tournament for girls, held in Salou and Cambrils, south of Barcelona.

Lucia captained Swindon and got nominated "club ambassador" for the quality of her football in addition to her behaviour and leadership.

Swindon got to the final after a run of all wins, 20 goals scored and 0 conceded, but unfortunately lost on penalties after a 0-0 full time score to FC Evolution, also from England. They got the 2nd place trophy to celebrate and they were all happy and singing nonetheless! Well done girls!

Girls

Congratulations to the Junior and Inter ' Athletics teams, who following on from their success in the first round of the competition went on to compete on a roasting hot day, which did not deter the girls teams from competing at their highest levels and achieving some excellent team and individual results as follows. A huge thank you to you all for your support and determination. It was a superb day made all the more enjoyable as you were a delight to be with!

Junior Girls

A great team score of 334 points, which was almost a 30 point improvement on the first round secured a 3rd place a tremendous result and reflects excellent team work as well as some excellent individual achievements as follows:

Penny Prowse 100m 13.5 24pts, Mabel Roberson 800m 2.46 22pts, Tilly Clare 1500m 5.23 26 pts,Avvi Hadadi 300m 47.7 18 pts, Summer Wrzsenski 800m 2.55 19pts,, Jessie McCurtin 1500m 5.28 25pts and H-J 1.29 17pts, Tilly Clare Javelin 22.28 22pts.

Inter Girls

Again the inter girls had a great team score of 339 pts, which was a 20 point improvement on their first round and secured a very creditable 5th place in a Regional Final. Excellent team work and some great individual scores all contributed to this impressive points total.

High individual achievers include Emi Lloyd 800m 2.45 18pts, Anna Hall 1500m 5.19 24pts, Sofia Hughes 1500m 5.50 17pts, Eva Mahoney 200m 29.0 17pts,Chloe Yorston H-J 1.37 16pts, Georgia Hillyer 300m 48.3 16pts.

Very well done and thank you all for a great and very successful season of Athletics!

Year 7 Cricket

Year 7 played their second league match, hosting The Downs at Brown's Meadow. The Downs won the toss and put St Bart's into bat first. The team has been rotated each match, and Bart's scored a respectable 76 runs, for the loss of 8 wickets. The Downs replied with 106 runs of their allotted 75 balls, for 4 wickets. Andrew Antony Rosewelt made a catch from behind the stumps (bowled by James Hale), Matthew Brown bowled one wicket,

Joe Shadrach ran out one batsmen (bowled by Joshi Hunt), and James Hale bowled the fourth wicket taken by St Bart's. Player of the match was Thomas Lee Rodriguez, for his batting and his positive teamwork and encouragement in the field.

Year 8 Cricket

St Bart's won against The Downs in their penultimate game of the cricket season. Bart's batted first and posted a score of 111/5. The Downs were then unsuccessful with chasing down the total scoring 72/9. Players of the match were Tom and Joe L for their batting. Joe L scored 14 runs and Tom retired on 20. Sibi, Joe R and Freddie P were also named players of the match for their bowling. Joe R took 2 wickets and Freddie and Sibi both took 3 wickets.

1st XI cricket: 10 out of Y10s for effort

The next generation of 1st XI cricketers announced themselves in some style against Didcot's St Birinus, albeit in a losing cause. As the public exam season drew to a close, there could have been no sterner test for Yudeesh and Luke, coming together at 9-3 in the third over after an Oxfordshire U18 left-arm pacer had ripped out our Y11 top three with a display of toe-crunching Yorkers redolent of prime Wasim Akram. With resolute character and excellent technique, the Y10 pair saw him and his Kent U19 colleague off and then set about the second-string bowling.

Luke's rasping square cut was only pipped for shot of day by Yudeesh's back-foot drive, the full face of the blade flashing in the direction of point. When Luke unluckily fell to a catch that was juggled at deep mid-wicket with more comic dexterity than something out of Gifford's Circus (back touring this summer, folks), they had put on 73 in 10 overs, forcing the Akram-esque captain to bring himself back on. Yudeesh would continue to resist until he was within two of a splendid 50, but was snaffled on the off-drive by that Kentish close fielder. (It's doubtful a lesser player would have clung on.) St Birinus rightly won the day by 50 runs, and passed what was effectively an audition for joining the Toby Radford Trophy competition with flying colours.

They accelerated brilliantly from 70-1 off 10 overs to 172-6, with their No 5 enjoying himself immensely, with 34 off 11 balls. Y11 Archie was the ultimate beneficiary of the end of the innings mayhem with 4-8 in two overs, but Y10 bowlers Sidney and Jimmy had the moments, while Ed was ebullient and energetic behind the stumps. It was great to see Y13 James return at short notice and be straight on the money with his leg-spin, too. All in all, much potential for the future.
