

Officer Pledge Commitments

As your School Officers, we are committed to:

1. Strengthening Student Voice

We will make sure every student's voice is heard and acted on, through the School Council system and a new Sixth Form Forum.

2. Driving inclusivity and representation

We will promote equality, celebrate diversity and raise awareness of all communities at St Bart's through new campaigns and celebrations.

3. Improving wellbeing for all

We will support the excellent mentoring programme led by Sixth Form mentors, alongside celebrating World Mental Health Day on Friday 10th October.

4. Enhancing the House system

We will strengthen lower school engagement in house events in sport, the arts and fundraising, having a visible presence in every year group.

5. Revitalising the Sixth Form Common Room and increasing events

We will lead on improving Common Room spaces and deliver new Sixth Form social events to improve integration.

6. Supporting the Sustainability Strategy

We will work with the school's Sustainability Team to promote the UN Sustainable Development Goals and increase environmental education across the school.

7. Promoting *The Purple Press*

We will grow *The Purple Press* into a regular publication, with ideas, opinions and achievements from across the whole school.

8. Delivering a bold Trust Fund Bid

We will present an impactful funding bid to St Bartholomew's Trust that reflects your ideas, with consultation taking place across the lower school and in the Sixth Form.

9. Reforming the Academic Senate

We will reform the Academic Senate by working with Subject Reps to ensure that your feedback leads to real and positive change.

10. Commitment to post-16 and post-18 destinations

We will ensure that every student has future goals and is informed on how they can achieve them.

Overall, we will lead by example, upholding our BARTS Values and working hard to turn our pledges into action.
