- A-level, BTEC, GCSE, Level 3 Diplomas/Certificates/EPQs

The subjects offered for these qualifications in any school year may be found on our website/

If there will be a change to a specification for the next year, the exams office must be informed.

Informing the exams office of changes to a specification is the responsibility of the Deputy Headteacher - Curriculum and Achievement.

Decisions on whether a candidate should be entered for a particular subject will be taken by Heads of Faculty in consultation with the Deputy Headteacher - Curriculum and Achievement and the SENCO.

4. Exam series

Internal exams (mock or trial exams) and assessments are scheduled in the following exam series:

November - Y11

January - Y13

March - Y10

June - Y12

External exams and assessments are scheduled in the following exam series:

November - GCSE

January - BTEC/Functional Skills

April - Functional Skills

May/June - GCE/GCSE/Btec

Internal exams are held under external exam conditions.

The Deputy Headteacher (Curriculum & Achievement) decides which exam series are used in the centre.

The centre will look to support assessments on an on-demand basis for language subjects that are not part of our curriculum. On-demand assessments can be scheduled only in windows agreed between the Exams Officer and the DHT (Curriculum & Achievement) and Head of MFL

5. Exam timetables

Once confirmed, the exams officer will circulate the exam timetables for internal and/or external exams before each series begins.

Where a candidate has a timetable clash involving an AS further mathematics, AS mathematics, A-level further mathematics or A-level mathematics exam, a centre cannot move the examination to the morning session.

It must always be sat in the published afternoon session as per the awarding body's timetable.

For further information please see the JCQ document Timetable clashes – GCE AS & A-level mathematics examinations, which may be found at: <https://www.jcq.org.uk/exams-office/ice---instructions-for-conducting-examinations>].

6. Entries (including entry details and late entries)

Candidates or parents/carers can request subject entry, change of level or withdrawal but final decisions here will be decided by the DHT (Curriculum & Achievement)

We do not accept entries from private candidates unless they are re-sits for Y13 students who left school the previous summer (see re-sits below) or Home Languages entries from on roll students.

We do not act as an exams centre for other organisations.

Entry deadlines are circulated to heads of faculty/subject] via email.

Heads of faculty/subject] will provide estimated entry information to the exams officer to meet JCQ and awarding body deadlines.

Entries and amendments made after an awarding organisation's deadline require authorisation, in writing, by the Exams Officer.

6.1 Re-sits

Decisions about re-sits will be made by heads of faculty/subject in consultation with the DHT (Curriculum & Achievement) and, where appropriate, Heads of Sixth Form.

7. Exam fees

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies. Any fees incurred to late entries will be cross charged to the Department/Faculty.

The exams officer will publish the deadline for actions well in advance of each exam series.

Use this guidance to help you fill in the charges table below:

Maintained schools and academies are not allowed to charge pupils to enter "prescribed public examinations" you have prepared them for in school, or for re-sits of these exams if you have prepared them for the re-sit at school.

This is set out in the DfE's guidance on [charging for school activities](#). "Prescribed public examinations" includes GCSEs, AS levels and A-levels. A full list is in the annex to an [explanatory memorandum to the Education \(Prescribed Public Examinations\) \(England\) Regulations 2010](#).

You **may** charge for:

- Exams or re-sits the pupil has not been prepared for at school, even if they are on the list of prescribed public examinations
- Exams not on the set list of prescribed public examinations
- A pupil, if they fail, without good reason, to complete the requirements of a public exam where the school originally paid the entry fee
- Withdrawal from an exam (where charges would be applied by an exam board), if the parent/carers request withdrawal

Candidates may be charged for the following:

QUALIFICATION TYPE	WHEN CANDIDATES WILL BE CHARGED	COSTS
GCSEs and A Levels	● Private exam entries ● Re-sits at parents/carers' request	● Entries and re-sits: Entry fee plus £50 admin fee. Invigilation costs may also be charged if applicable.

QUALIFICATION TYPE	WHEN CANDIDATES WILL BE CHARGED	COSTS
	● Missed exams (without medical or other extenuating circumstances)	● Missed exams: dependent on charges levied by the exam board

We may waive these fees in certain circumstances. If you would like to discuss waiving relevant fees, please contact exams@stbarts.co.uk

Fees may be waived in case of financial hardship where we deem it necessary.

8. Equalities

All our staff must make sure that they meet the requirements of any equality legislation.

We will comply with the legislation, including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies and the JCQ. This is the responsibility of the Head of Centre.

9. Access arrangements and reasonable adjustments

The SENCO will inform subject teachers of any special arrangements that may be needed for candidates with:

- Special educational needs (SEN)
- English as an additional language (EAL)
- A temporary illness or injury

A candidate's access arrangements and reasonable adjustments requirement is determined by the SENCO

Ensuring there is appropriate evidence for a candidate's access arrangements and reasonable adjustments is the responsibility of the SENCO.

Our centre will not accept GP Letters as evidence for centre delegated access such as smaller room and rest breaks. Only consultant level or qualified accredited therapists evidence will be accepted as part of the assessment process.

Central to this process will be:

- *whether the candidate has a substantial and long-term impairment which has an adverse effect (e.g. long term medical condition); **and***
- *the candidate's normal way of working within the centre.*

Submitting completed access arrangement and reasonable adjustment applications to the awarding bodies is the responsibility of the SENCO.

Room arrangements for candidates using access arrangements and reasonable adjustments will be organised by the Exams Officer in liaison with the PL team.

Invigilation and support for candidates using access arrangements and reasonable adjustments, as defined in the [JCQ access arrangements and adjustments regulations](#), will be organised by the SENCO. Where candidates sit their examinations in a smaller environment away from the main examination room (the suitability of which is to be assessed in conjunction with JCQ access arrangements and adjustments regulations), the JCQ's regulations and guidance must be adhered to.

See chapter 5 of the [JCQ access arrangements and adjustments regulations](#) for details on the types of adjustments that may be considered, as well as the procedures involved.

Please refer to our [Internal Appeals Policy](#).

9.1 Use of word processors

We may allocate the use of a word processor to a candidate as part of access arrangements or as a reasonable adjustment. The SENCO will use their judgement, in collaboration with relevant members of staff where necessary, to make decisions about when a word processor is appropriate outside the specific examples listed above.

We will make sure that:

- The proposed arrangement will not disadvantage or advantage a candidate
- The use of a word processor will not compromise the assessment objectives or the integrity of the assessment and will be used under secure conditions. Where these objectives would be compromised, then a word processor will not be granted for use by a candidate

We will also make sure that the word processor:

- Has the spelling and grammar check and predictive text software disabled
- Does not have internet connectivity during the exam
- Has been cleared of any previously stored data, along with any portable storage medium used (and where any authorised memory stick is provided to or used by the candidate, the memory stick will be cleared of any previously stored data)
- Does not allow access to other applications such as a calculator (where prohibited), spreadsheets or emails
- Does not have graphic packages or computed-aided design software, unless permission is given
- Does not have computer reading (text to speech) software, unless the candidate has permission
- Does not have speech recognition technology, unless the candidate has permission

The word processor will not be used on the candidate's behalf by a third party unless the candidate has permission to use a scribe.

All equipment will be checked to make sure it's in working order and sufficiently charged for the duration of the examination.

Candidates provided with the use of a word processor will be accommodated in such a way that other candidates are not disturbed and cannot read the screen. Where we accommodate a candidate in another room, a separate invigilator will be present.

Candidates will be:

- Reminded to make sure that the centre number, candidate number and the unit/component code appear on each page as a header or footer, or to handwrite their details on the printed documents where this feature is not available (where the candidate needs to handwrite their details, they will be supervised to make sure that that is solely what they're doing and not re-reading their answers or amending their work in any way)
- Reminded to save their work at regular intervals, unless 'autosave' has been set up on the device to make sure that the candidate's work is not lost because of a technical issue
- Advised to use a minimum font size of 12pt and double spacing

Each page of the typed script will be numbered.

The word processor will be connected to a printer so that the script can be printed off, and this will be done once the examination is over. The candidate must be present to verify that the work is their own and then the script will be attached to any answer booklet that contains some of the answers. We may also be required by the awarding body to include a word processor cover sheet with the candidate's typed script.

We may retain electronic copies of a word-processed script and this may be accepted by an awarding body where the printed copy has been lost and it is demonstrated that the file has been kept securely.

Please refer to our [Word Processor policy](#).

10. Contingency planning and resilience

Contingency planning for exam administration is the responsibility of the Head of Centre. They are responsible for:

- Being familiar with the regulators' guidance on ensuring resilience in the qualification system
- Making sure that we have robust contingency arrangements in place that will minimise the risk to exams
- Ensuring that we have an up-to-date, written examination contingency plan that covers all aspects of examination/assessment administration, in accordance with JCQ guidelines

All relevant centre staff must be familiar with the contingency plans, which are available via the school intranet and are in line with the [guidance provided by Ofqual](#), JCQ and awarding organisations.

It is the responsibility of [role(s)] to put in place a process for gathering evidence of candidate performance in line with the guidance provided by Ofqual.

11. Estimated grades

Heads of faculty/subject are responsible for submitting estimated grades to the exams officer when requested.

12. Managing invigilators

External staff will generally be used to invigilate examinations. The head of centre, a senior member of centre or the exams officer will ensure that (where possible) a teacher, teaching assistant, tutor or senior member of centre staff who teaches the subject being examined, or a learning support assistant who has supported 1 or more candidates, is not an invigilator during the examination.

These invigilators will be used for internal exams and/or external exams.

Recruitment of invigilators is the responsibility of the Exams Officer and any new invigilators and/or those facilitating an access arrangement or reasonable adjustment for a candidate under examination conditions will receive thorough training on JCQ guidelines.

If invigilators require Disclosure and Barring Service (DBS) checks, the Exams Officer with support from the Human Resources team is responsible for obtaining these.

DBS fees are paid by the centre.

Invigilators' rates of pay are set by the Headteacher.

Invigilators will be timetabled, trained and briefed by the Exams Officer and Exams Assistant.

13. Malpractice

The centre will take all reasonable steps to prevent the occurrence of any malpractice before, during and after assessment has taken place. The head of centre, in consultation with the Exams Officer is responsible for ensuring that suspected malpractice is thoroughly investigated. Malpractice does not necessarily involve an intention to cheat or gain an unfair advantage. Examples of malpractice include, but are not limited to:

- Unauthorised use of a mobile phone or internet-enabled device in examinations
- Copying or allowing work to be copied

- Posting work on social media prior to an exam
- Collusion or working collaboratively

Candidates are informed and advised to avoid committing malpractice in examinations/assessments through dedicated assemblies and with guidance shared on the website and via email. Suspected malpractice issues will be escalated within the centre to the Head of Centre and reported to the relevant awarding body by the DHT working in liaison with the Exams Officer.

14. Exam days

The exams officer will:

- Book all exam rooms (after liaising with other relevant users)
- Make question papers, exam stationery and materials available for the invigilator(s)

Site management staff are responsible for setting up the allocated rooms, and will be advised of requirements in advance.

The invigilators and the exams officer will start and finish all exams in accordance with [JCQ guidelines](#).

Subject staff may be present at the start of the exam to assist with identification of candidates. Any staff will only be present in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with [JCQ guidelines](#).

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of faculty/subject in accordance with JCQ's recommendations.

After an exam, the exams officer will arrange for the safe dispatch of completed exam scripts to awarding bodies, working in conjunction with invigilators and school support staff.

The procedure for emergency evacuation of exam rooms will be outlined in our exam contingency policy, which will be subject to inspection by the JCQ Centre Inspection Service.

In the event of an emergency, a full report of the incident will be produced and kept on file – and any breach of question paper security or malpractice will be reported to the awarding body immediately.

15. Candidates

The exams officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by the DHT (Curriculum and Achievement) and the Exams Officer. KS4 students are required to wear full school uniform. Any exceptions to this need to be confirmed with the Exams Office in advance of exam seasons. Our published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and we accept no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, and/or the specification for that subject.

This is particularly true of mobile phones and other electronic devices with text or digital facilities.

Any precluded items must not be taken into the exam room.

Disruptive candidates will be dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Officer

Candidates who leave an exam room must be accompanied by an appropriate member of staff at all times.

The Exams Officer, in liaison with the House Officers and Sixth Form team, is responsible for handling late or absent candidates on exam day.

16. Special consideration

If a candidate is unable to attend an exam because of illness, bereavement or other trauma, or if a candidate becomes ill or otherwise disadvantaged during an exam, they are responsible for alerting the invigilators, and/or Exams Officer to that effect.

The candidate must support any special consideration claim with appropriate evidence within the timeframes established by the exam boards.

The exams officer will, where appropriate, make a special consideration application to the relevant awarding body..

17. Non-examination assessments

Teaching staff who deliver non-examination assessments for GCEs and GCSEs will follow the correct specifications and the specification and instructions provided by the awarding body, and/or JCQ [instructions for conducting non-examination assessments](#), if appropriate. Teaching staff will also check that the tasks and approach being taken are appropriate and in line with ethical standards and the centre's safeguarding responsibilities.

It is the duty of heads of faculty/subject to ensure that all non-examination assessment is ready for dispatch at the correct time. The Exams Officer will assist by keeping a record of each dispatch, including the recipient details, and the date and time sent.

Marks for internally assessed work will be provided to the exams office by heads of faculty/subject. The exams officer will inform staff of the deadline date for appeals against internal assessments.

Any appeals will be dealt with in accordance with our internal appeals procedure document.

Please refer to our [internal appeals procedure](#)..

Further information on how we conduct non-examination assessments can be found in our [Non-examination Assessment \(including controlled assessment and coursework\) Policy](#)

17.1 Artificial intelligence (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard. St Bartholomew's School recognises that AI has many uses to help pupils learn, but may also lend itself to cheating and plagiarism.

Pupils **may not** use AI tools:

- During assessments, including internal and external assessments, and coursework
- To write their homework or class assignments, where AI-generated text is presented as their own work

Pupils **may** use AI tools:

- As a research tool to help them find out about new topics and ideas
- When specifically studying and discussing AI in schoolwork, for example in IT lessons or art homework about AI-generated images. All AI-generated content must be properly attributed

Where a pupil uses an AI tool, they should retain a copy of the question(s) asked and the AI-generated response(s). Pupils must submit this along with the work to be assessed.

Staff should:

- Be aware that AI tools are still being developed and tested
- Use AI tools with caution as they may provide inaccurate, inappropriate or biased content

- Make pupils aware of the risks of using AI tools and that they need to appropriately reference AI as a source of information to maintain the integrity of assessments

Staff **must not**:

- Use AI as the sole means of marking candidates' work

See our [AI Policy](#) for more information on how pupils can and cannot use AI for their assignments.

For more information on AI misuse, see [guidance from JCQ on AI use in assessments](#). Any misuse of AI tools may be treated as malpractice.

18. Results and certificates

Candidates will receive individual results slips on results days via email. On GCSE Results Day, there is also the option to pick up results in-person.

The results slip will be in the form of a centre-produced document.

Arrangements for the centre to be open on results days are made by the DHT (Curriculum & Achievement) in liaison with the Site Team.

The provision of the necessary staff on results days is the responsibility of the DHT (Curriculum & Achievement).

Dates of results days each year will be publicised for all candidates through the website and via emails home, etc].

18.1 Enquiries about results (EARs)

Enquiries about results (EARs) may be requested by centre staff or the candidate following the release of results.

Any request for a re-mark or clerical check must only be submitted with the written consent of the candidate. A request for a re-moderation of internally assessed work may be submitted without the consent of a group of candidates.

The cost of EARs will be paid by the candidate.

The cost of EARs is set out in section 7 of this policy ('Exam fees').

If a candidate's request for an EAR is not supported, the candidate may appeal and we will respond by following the process in our internal appeals procedure document.

All processing of EARs will be the responsibility of the Exams Officer following the JCQ guidance.

18.2 Access to scripts (ATS)

After the release of results, candidates may request the return of written exam papers within the identified timelines.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Applications for EARs cannot be submitted once an original script has been returned.

The Exams Officer is responsible for processing requests for ATS.

The cost of ATS will be paid by the candidate.

The cost of ATS is set out in section 7 of this policy ('Exam fees').

18.3 Certificates

Candidates will receive their certificates at KS4 awards evening (Y11) and KS5 Awards evening (Year 13). A separate collection event will also be organised in December/January.

Certificates can be collected on behalf of a candidate by third parties, provided they have written authority from the candidate to do so and bring suitable indications with them that confirms who they are.

The centre retains certificates for 2 academic years.

A new certificate will not be issued by an awarding organization except in certain specific circumstances (such as a change of gender or identity). A transcript of results may be issued on request.

19. Monitoring and review

The head of centre is responsible for ensuring that this policy is reviewed and updated **annually**, and whenever there is a relevant change to:
